

BRASS DEFLECTOR - TC-Accessories A2 BRASS DEFLECTOR

[Shooting Accessories](#) > [Range Gear](#) > [Shell Catchers & Deflectors](#)

Collects All Your Empty Brass In One Area; Saves Yourself & Others From Being Burned

Lightweight steel, brass deflector redirects empty rounds to one place for easy pickup. Protects skin and clothes from hot, discharging brass. Available for a number of guns and legal for use in NRA High power competition. Installs with little to no gunsmithing; attaches to either picatinny rail or carry handle, depending upon model ordered. Models to fit A2 (carry handle) and A3 (flattop) receivers; EOTech model is designed to sandwich between a flattop rail and an EOTech Holographic Weapon Sight.

Safety Instruction Guide for BRASS DEFLECTOR TCACCESSORIES A2 BRASS DEFLECTOR

Introduction

Thank you for choosing the BRASS DEFLECTOR TCACCESSORIES A2 BRASS DEFLECTOR. This product is designed to enhance your shooting experience by safely redirecting spent brass casings during use. Please read this safety instruction guide carefully to ensure proper installation, usage, and maintenance. Your safety is our priority.

General Safety Guidelines

- Ensure that the deflector is compatible with your firearm model before installation.
- Always wear appropriate personal protective equipment (PPE), including eye and ear protection, while using firearms.
- Inspect the deflector and your firearm for any damage before each use.
- Keep the deflector clean and free from obstructions to ensure optimal performance.
- Never use the deflector in a manner that is inconsistent with the manufacturer's instructions.
- Be aware of your surroundings and ensure that no one is in the vicinity where spent brass may land.

Specific Safety Precautions for Use

- The brass deflector is intended for use with firearms that are compatible with A2 and A3 receivers.
- Ensure that the deflector is securely attached to the firearm before use.
- Do not attempt to modify or alter the deflector in any way.
- Monitor for any signs of wear or damage during use and replace if necessary.
- Keep the deflector away from children and unauthorized users.
- If you experience any issues during use, cease operation immediately and inspect the product.

Instructions for Installation and Usage

Installation

1. **Identify the Model:** Confirm that you have the correct model for your firearm (A2 or A3).
2. **Gather Tools:** No special tools are required for installation, but ensure you have a clean workspace.
3. **Attach the Deflector:**
 - For A2 models (carry handle): Align the deflector with the carry handle and secure it in place.
 - For A3 models (flattop): Attach the deflector to the picatinny rail. Ensure it is firmly secured.
 - For EOTech models: Position the deflector between the flattop rail and the EOTech Holographic Weapon Sight.
4. **Check Stability:** Ensure the deflector is stable and does not move when gently tugged.

Usage

1. **Load the Firearm:** Follow standard procedures for loading your firearm safely.
2. **Engage in Shooting:** Use the firearm as intended. The deflector will redirect spent brass casings to a designated area.
3. **Monitor Performance:** Observe the deflector during use to ensure it is functioning correctly.

Disposal Instructions

When the BRASS DEFLECTOR TCACCESSORIES A2 BRASS DEFLECTOR reaches the end of its life cycle or if it becomes damaged beyond repair, dispose of it responsibly:

- Check local regulations for the disposal of metal products.
- If applicable, recycle the deflector according to local recycling guidelines.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point. Ensure you have the product details and any relevant information ready for assistance.

Important Note: This safety instruction guide is compliant with the EU General Product Safety Regulation (GPSR). Please report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety and the safety of others is paramount. Thank you for your attention to these guidelines.
