

BRASS DEFLECTOR - TC-Accessories A3 BRASS DEFLECTOR

[Shooting Accessories](#) > [Range Gear](#) > [Shell Catchers & Deflectors](#)

Collects All Your Empty Brass In One Area; Saves Yourself & Others From Being Burned

Lightweight steel, brass deflector redirects empty rounds to one place for easy pickup. Protects skin and clothes from hot, discharging brass. Available for a number of guns and legal for use in NRA High power competition. Installs with little to no gunsmithing; attaches to either picatinny rail or carry handle, depending upon model ordered. Models to fit A2 (carry handle) and A3 (flattop) receivers; EOTech model is designed to sandwich between a flattop rail and an EOTech Holographic Weapon Sight.

Safety Instruction Guide for BRASS DEFLECTOR TCAccessories A3 BRASS DEFLECTOR

Introduction

Thank you for choosing the BRASS DEFLECTOR TCAccessories A3 BRASS DEFLECTOR. This product is designed to enhance your shooting experience by redirecting empty rounds for easy collection while protecting your skin and clothes from hot brass. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the brass deflector if you are not familiar with the operation of the firearm it is attached to.
- Always wear appropriate protective gear, including eye and ear protection, when using firearms.
- Ensure that the brass deflector is securely attached to the firearm before use.
- Avoid placing your body or any part of your clothing in the path of discharged brass.
- If you experience any discomfort or injury while using the product, discontinue use immediately and seek medical attention if necessary.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Verify that the brass deflector is suitable for your firearm model (A2 or A3).
2. **Attachment:**
 - For models with a picatinny rail: Align the deflector with the rail and secure it using the provided mounting hardware.
 - For models with a carry handle: Attach the deflector to the carry handle securely.
3. **EOTech Model:** If you have an EOTech model, sandwich the deflector between the flattop rail and the EOTech Holographic Weapon Sight.
4. **Final Check:** Ensure that the deflector is firmly attached and does not obstruct the operation of your firearm.

Usage

- Always follow standard firearm safety rules when using your firearm with the brass deflector installed.
- Monitor the area around you for any potential hazards when firing.
- Regularly check the deflector during use to ensure it remains securely in place.

Disposal Instructions

- Dispose of the brass deflector in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains metal components.

Contact Information for Further Support

For any inquiries or concerns regarding the BRASS DEFLECTOR TCAccessories A3 BRASS DEFLECTOR, please consult your retailer or manufacturer. It is essential to keep the product documentation for reference and warranty purposes.

Important Note

This product complies with the EU General Product Safety Regulation (GPSR). For any safety inquiries, please refer to the EU's Safety Gate platform for the latest updates on product safety and recalls.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience!
