

# MOSSBERG 500/590 OVERSIZED SAFETY - VANG COMP SYSTEMS

## MOSSBERG OVERSIZED SAFETY

[Shotgun Parts](#) > [Receiver & Action Parts](#) > [Safety Parts](#) > [Safeties](#)

### Provides Easier Safety Engagement

Oversized, aluminum safety is larger than the factory part in every dimension to give your thumb more surface area for engagement. Taller height, wide back end and more pronounced steps give you more pushing leverage.

# MOSSBERG 500/590 OVERSIZED SAFETY VANG COMP SYSTEMS USER MANUAL

## Introduction

Thank you for choosing the MOSSBERG 500/590 OVERSIZED SAFETY from VANG COMP SYSTEMS. This oversized aluminum safety is designed to enhance the usability of your firearm by providing a larger surface area for engagement. Please read and follow these safety instructions carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is installed correctly and securely before use.
- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm in a safe place, away from children and unauthorized users.
- Regularly inspect your firearm and safety mechanisms for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- This product is designed for use with Mossberg 500 and 590 models only.
- Do not attempt to modify or alter the safety mechanism in any way.
- Always ensure that the firearm is pointed in a safe direction when engaging or disengaging the safety.
- Be aware of your surroundings and ensure that you have a clear line of sight before using your firearm.
- If you experience any issues with the safety mechanism, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before beginning installation, make sure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Safety:**
  - Use a suitable tool to carefully remove the factory safety from the Mossberg 500/590.
  - Keep the factory part in a safe place for possible future use.
3. **Install the Oversized Safety:**
  - Align the oversized safety with the safety slot on your firearm.
  - Gently push the oversized safety into place until it is securely fitted.
4. **Test the Safety:**
  - After installation, test the safety mechanism to ensure it engages and disengages smoothly.
  - Make sure the safety is functioning correctly before using the firearm.

### Usage

- To engage the safety, push the oversized safety lever to the "Safe" position.
- To disengage the safety, push the lever to the "Fire" position.
- Ensure that you are familiar with the operation of the safety before using the firearm in a live environment.

## **Disposal Instructions**

- Dispose of the oversized safety responsibly, in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or broken.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MOSSBERG 500/590 OVERSIZED SAFETY, please reach out to the appropriate contact point as specified by the manufacturer or retailer. Ensure you have the product details ready for a more efficient service.

By following these guidelines and instructions, you can ensure the safe and effective use of your MOSSBERG 500/590 OVERSIZED SAFETY. Thank you for prioritizing safety in your firearm handling.
