

TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W STEEL RINGS 1" MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS TSR-W STEEL RINGS 1" MEDIUM](#)

TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings from TPS Products. These scope rings are designed to securely hold your scope in place, ensuring optimal performance during use. This safety instruction guide provides essential information to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm.
- Always handle firearms with care and follow all applicable laws and regulations.
- Inspect the scope rings for any defects or damage before use.
- Do not exceed the recommended torque specifications when installing the rings.
- Keep the scope rings and all related equipment out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to local authorities.

Specific Safety Precautions for Use

- Use the scope rings only for their intended purpose—mounting scopes on firearms.
- Do not modify or alter the scope rings in any way.
- Always check that the scope is securely mounted before firing.
- Avoid using the scope rings in extreme temperatures or conditions that may affect their integrity.
- If you notice any unusual wear or damage, discontinue use immediately and contact a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.

2. Installation:

- Align the base of the scope rings with the Picatinny or Weaver rail on your firearm.
- Place the scope into the rings and adjust its position for optimal eye relief.
- Secure the scope by tightening the fourscrew cap. Start by tightening the left side of the cap, followed by the right side to avoid rotation of the scope.
- Use a torque wrench to tighten the clampnut to the manufacturer's recommended specifications.

3. Usage:

- After installation, check the alignment of the reticle. Make necessary adjustments to ensure accuracy.
- Regularly inspect the scope rings for tightness and any signs of wear during use.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste disposal regulations.
- When the scope rings reach the end of their life cycle, dispose of them responsibly.

- Consider recycling materials where possible, ensuring that any hazardous materials are handled according to local environmental regulations.

Contact Information for Further Support

For any questions or concerns regarding the TSRW Picatinny/Weaver Scope Rings, please contact the manufacturer directly through their official channels. Always refer to the product documentation for additional safety information and support.

By following these guidelines, you can ensure the safe and effective use of your TSRW Picatinny/Weaver Scope Rings. Thank you for prioritizing safety and responsible firearm usage.
