

# TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W STEEL RINGS 30MM MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

## Attributes

# TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm.
- Always handle your firearm and scope with care to prevent accidents.
- Regularly inspect the scope rings for signs of wear or damage before each use.
- Store the scope rings in a dry, safe place away from children and pets.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Use the scope rings only for their intended purpose. Do not modify or alter them.
- Ensure that the scope is properly secured in the rings before use.
- Avoid overtightening the screws, as this may damage the scope or rings.
- If you experience any issues with the scope rings during use, stop immediately and inspect for damage.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver suitable for the screws on the scope rings.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Place the scope rings on the appropriate base (Weaverstyle or MilSTD 1913/Picatinny).
- Align the rings with the scope tube and ensure that they are level.
- Secure the rings by tightening the screws evenly on both sides. Start with the left side, then tighten the right side to prevent rotation of the scope.
- Check that the scope is firmly held in place and make any necessary adjustments.

### 3. Usage

- Once installed, check the alignment of the reticle and make adjustments as needed.
- Use your firearm responsibly and follow all safety protocols while shooting.

## Disposal Instructions

- Dispose of any damaged or worn scope rings in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the TSRW Picatinny/Weaver Scope Rings, please consult your retailer or manufacturer for further assistance. Always keep the product manual for future reference.

## **Conclusion**

By following these guidelines and precautions, you can ensure the safe and effective use of your TSRW Picatinny/Weaver Scope Rings. Thank you for prioritizing safety and responsibility in your shooting activities.
