

TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W STEEL RINGS 30MM HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS TSR-W STEEL RINGS 30MM HIGH](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100001411

TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. This guide provides essential safety instructions, installation procedures, and maintenance tips to ensure the safe use of your scope rings. Please read this document carefully to maximize your safety and the performance of your product.

General Safety Guidelines

- Ensure that the product is suitable for your specific scope and firearm before use.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Inspect scope rings for any damage or wear before installation.
- Keep the scope rings and firearms out of reach of children and unauthorized users.
- Do not exceed the manufacturer's torque specifications when tightening screws.
- Always use the product in accordance with the manufacturer's instructions.

Specific Safety Precautions for Use

- Do not modify the scope rings or attempt to alter their design.
- Ensure that the scope is securely mounted to the rings before use.
- Regularly check the tightness of the screws and the alignment of the scope.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you experience any issues with the scope rings, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Select the appropriate mounting base (Weaverstyle or MilSTD 1913).
- Position the scope rings on the base, ensuring a secure fit.
- Place the scope into the rings and adjust its position to your preference.
- Use the fourscrew cap to secure the scope:
 - Tighten the left side of the cap first.
 - Then tighten the right side to avoid rotating the scope.
- Ensure that the scope is level and the reticle is aligned properly.

3. Usage:

- After installation, perform a function check to ensure the scope is securely mounted.
- Take care when handling the firearm to avoid any accidental discharges.
- Regularly inspect the scope rings and their screws for any signs of wear or loosening.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for specific disposal instructions.

Contact Information for Further Support

For any inquiries or concerns regarding the TSRW Picatinny/Weaver Scope Rings, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have your product details available for any support requests.

By following these guidelines, you can ensure the safe and effective use of your TSRW Picatinny/Weaver Scope Rings. Thank you for your attention to safety, and enjoy your shooting experience!
