

MILITEC-1 OIL - MILITEC OIL 1OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Prevents Jams, Corrosion, & Firearm Failure

Synthetic-based metal conditioner provides constant, self-lubricating protection for your metal parts to ensure reliable functioning in extreme conditions. Actually becomes part of the metal; the heat from normal firing of your gun molecularly bonds the material to the gun metal.

MILITEC1 OIL 1 OZ Safety Instruction Guide

Introduction

Thank you for choosing MILITEC1 OIL 1 OZ. This syntheticbased metal conditioner is designed to provide selflubricating protection for your metal parts, ensuring reliable functioning even in extreme conditions. This guide offers essential safety instructions to help you use the product safely and effectively.

General Safety Guidelines

- Always read the product label and safety instructions before use.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Do not use the product in confined spaces without proper ventilation.
- In case of contact with skin or eyes, rinse thoroughly with water and seek medical advice if irritation persists.
- Dispose of the product responsibly and in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure that the area where you are using the oil is wellventilated to prevent inhalation of fumes.
- Avoid contact with open flames or high heat, as the product is flammable.
- Do not ingest the product; it is not intended for consumption.
- Use appropriate protective gear, such as gloves and goggles, when handling the oil.
- Do not mix this product with other chemicals unless specified by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of the metal parts to be treated to remove any dirt, grease, or old lubricant.
- Shake the bottle well before use to ensure proper mixing of the contents.

2. Application:

- Apply a small amount of MILITEC1 OIL directly onto the metal surface.
- Use a clean cloth or applicator to spread the oil evenly across the surface.
- For best results, allow the oil to penetrate the metal for a few minutes before using the equipment.

3. Postapplication:

- Wipe off any excess oil with a clean cloth to prevent buildup.
- Store the bottle securely after use, ensuring the cap is tightly closed.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour the product down the drain or into water sources.
- Check with local authorities for specific disposal guidelines for hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided on the product label.

Thank you for using MILITEC1 OIL 1 OZ. By following these safety instructions, you can ensure safe and effective use of the product.
