

MILITEC-1 OIL - MILITEC OIL 1OZ BOTTLE 100/CASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Prevents Jams, Corrosion, & Firearm Failure

Synthetic-based metal conditioner provides constant, self-lubricating protection for your metal parts to ensure reliable functioning in extreme conditions. Actually becomes part of the metal; the heat from normal firing of your gun molecularly bonds the material to the gun metal.

MILITEC1 OIL 1 OZ Safety Instruction Guide

Introduction

Thank you for choosing MILITEC1 OIL 1 OZ. This syntheticbased metal conditioner is designed to provide selflubricating protection for your metal parts, ensuring reliable functioning even in extreme conditions. To ensure your safety and the proper use of this product, please follow the guidelines outlined in this document.

General Safety Guidelines

- Always read the label and product information before use.
- Keep out of reach of children and pets.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Dispose of the product in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure adequate ventilation when using the product.
- Do not use near open flames or sparks.
- Avoid prolonged exposure to the product.
- Use personal protective equipment (PPE) such as gloves and goggles if necessary.
- In case of accidental spillage, clean up immediately and dispose of waste properly.

Instructions for Installation and Usage

1. **Preparation:** Ensure the surface to be treated is clean and free from dirt, moisture, and other contaminants.
2. **Application:**
 - Shake the bottle well before use.
 - Apply a small amount of MILITEC1 OIL directly onto the metal surface.
 - Use a clean cloth or applicator to spread the oil evenly over the surface.
3. **Curing:** Allow the oil to bond with the metal for optimal performance. This may take several minutes.
4. **Maintenance:** Reapply as necessary, particularly in highuse or extreme conditions.

Disposal Instructions

- Dispose of the product container and any unused product in accordance with local hazardous waste regulations.
- Do not pour down drains or dispose of in regular waste.

Contact Information for Further Support

For any safety inquiries or further information regarding this product, please refer to the official MILITEC website or customer support channels.

Conclusion

Following these safety instructions will help you use MILITEC1 OIL 1 OZ effectively and safely. Always prioritize safety and refer to this guide whenever necessary. Thank you for your attention to these important guidelines.
