

# MILITEC-1 OIL - MILITEC OIL 4OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Prevents Jams, Corrosion, & Firearm Failure

Synthetic-based metal conditioner provides constant, self-lubricating protection for your metal parts to ensure reliable functioning in extreme conditions. Actually becomes part of the metal; the heat from normal firing of your gun molecularly bonds the material to the gun metal.

# MILITEC1 OIL 4 OZ Safety Instruction Guide

## Introduction

Thank you for choosing MILITEC1 OIL. This syntheticbased metal conditioner is designed to provide selflubricating protection for your metal parts, ensuring reliable functioning even in extreme conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a lubricant and protectant for metal parts.
- Keep out of reach of children and vulnerable individuals.
- Always store in a cool, dry place away from direct sunlight and heat sources.
- Check for any visible damage to the container before use. Do not use if the container is damaged.
- In case of accidental ingestion, seek medical attention immediately.

## Specific Safety Precautions for Use

- Wear gloves and safety goggles when applying the oil to prevent skin and eye contact.
- Use in a wellventilated area to avoid inhaling fumes.
- Avoid contact with skin. In case of contact, wash the affected area with soap and water.
- Do not mix with other chemicals or oils unless specified in the product instructions.
- If you experience any adverse reactions, discontinue use and consult a medical professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the metal surfaces thoroughly to ensure optimal adhesion of the oil.
- Ensure the area is wellventilated.

### 2. Application:

- Shake the bottle gently before use.
- Apply a small amount of MILITEC1 OIL directly to the metal part using a clean cloth or applicator.
- Spread evenly over the surface to ensure complete coverage.
- Allow the oil to bond with the metal for a few minutes before using the equipment.

### 3. Maintenance:

- Regularly inspect the metal parts for signs of wear or damage.
- Reapply MILITEC1 OIL as needed based on usage and environmental conditions.

## Disposal Instructions

- Dispose of any unused oil and empty containers in accordance with local regulations.
- Do not pour down drains or dispose of in regular household waste.
- Check for local hazardous waste disposal guidelines to ensure safe disposal.

## Contact Information for Further Support

For safety inquiries or additional information regarding MILITEC1 OIL, please consult the product packaging or your retailer for appropriate contact details.

By following these safety instructions, you can ensure safe and effective use of MILITEC1 OIL. Thank you for your attention to these guidelines, and enjoy the benefits of enhanced protection for your metal parts.
