

# MILITEC-1 OIL - MILITEC OIL 4OZ BOTTLE 12/CASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Prevents Jams, Corrosion, & Firearm Failure

Synthetic-based metal conditioner provides constant, self-lubricating protection for your metal parts to ensure reliable functioning in extreme conditions. Actually becomes part of the metal; the heat from normal firing of your gun molecularly bonds the material to the gun metal.

## Attributes

- Name: [MILITEC OIL 4OZ BOTTLE 12/CASE](#)
- Manufacturer: [MILITEC](#)
- Product no.: 100001420
- Mfr. No.:
- Size: 4 oz
- Delivery weight: 1.792kg
- Shipping height: 762mm
- Shipping width: 152mm
- Shipping length: 165mm

# MILITEC1 OIL Safety Instruction Guide

## Introduction

Thank you for choosing MILITEC1 OIL, a syntheticbased metal conditioner designed to provide selflubricating protection for your metal parts. This guide contains important safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe handling and storage of the product away from heat sources and direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Always read and follow the instructions on the product label.
- Be aware of potential hazards associated with the product, including skin and eye irritation.
- Report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles, when handling the product.
- Avoid contact with skin and eyes; in case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Use in a wellventilated area to prevent inhalation of vapors.
- Do not ingest the product; if swallowed, seek immediate medical attention.
- Store the product in a cool, dry place, away from incompatible materials such as strong oxidizers.

## Instructions for Installation and Usage

- Shake the bottle well before use to ensure proper mixing of the product.
- Apply a small amount of MILITEC1 OIL directly to the metal parts that require lubrication.
- For best results, allow the oil to penetrate and bond with the metal surfaces.
- Regularly inspect the treated metal parts to ensure continued performance and reapply as necessary.
- Clean any excess oil from surfaces to prevent slipping or contamination.

## Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not pour the product down the drain or into water bodies.
- Consider recycling options for empty containers where applicable.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding MILITEC1 OIL, please refer to the contact information provided on the product label or packaging.
