

FIBER OPTIC SIGHT RODS - MOUNTING SOLUTIONS PLUS .020" ULTRA-MATCH ROD, 3-PACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Replacement Sight Inserts](#)

Restores Your Fiber Optic Sight's Bright, Glowing Dot

Optical-grade, acrylic rods replace lost or broken rods on popular fiber optic sights. Gathers and funnels natural sunlight to produce a bright, luminous dot that quickly draws your eyes to the front sight so you get on target fast. Pak includes one each: red, green, and amber fiber optic rods. Available in four diameters to fit most fiber optic sights. .060" diameter rod fits most shotgun sights and .125" wide pistol sights. .040" fits most rifle and some shotgun sights, plus .090" wide pistol sights. .030" and .020" rods fit competition-style, rifle sights.

FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .020" ULTRAMATCH ROD, 3PACK Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .020" ULTRAMATCH ROD, 3PACK. This product is designed to enhance your shooting experience by providing opticalgrade, acrylic rods that replace lost or broken rods on popular fiber optic sights. This guide provides essential safety instructions to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - Always handle the rods with care to prevent breakage.
 - Keep the product out of reach of children and vulnerable individuals.
 - Inspect the rods regularly for any signs of damage or wear before use.
 - Do not use the rods if they are damaged or broken.
 - Follow all instructions provided in this guide for safe installation and usage.

Specific Safety Precautions for Use

- When using the FIBER OPTIC SIGHT RODS, please observe the following precautions:
 - Do not expose the rods to extreme temperatures or direct sunlight for prolonged periods, as this may affect their performance.
 - Avoid using the rods with incompatible sights. Ensure that the diameter of the rod matches the specifications of your sight.
 - Use the rods only for their intended purpose as described in this guide.
 - If you experience any difficulty during installation or usage, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation for Installation:

- Gather all necessary tools and materials.
- Ensure that your shooting sight is clean and free of debris.

2. Installation Steps:

- Identify the diameter of the rod you will be replacing (available diameters: .060", .040", .030", and .020").
- Carefully remove any broken or damaged rod from the sight.
- Insert the new fiber optic rod into the sight, ensuring a snug fit.
- Trim the rod to the desired length if necessary, using appropriate cutting tools.
- Ensure that the rod is securely in place before use.

3. Usage Instructions:

- When aiming, ensure that your eyes are properly aligned with the front sight.
- The opticalgrade acrylic rods will gather and funnel natural sunlight, creating a bright dot for easier targeting.

- Practice safe shooting habits at all times. Always be aware of your surroundings and ensure that your firearm is pointed in a safe direction.

Disposal Instructions

- Dispose of any broken or damaged rods in accordance with local regulations for plastic waste.
- Do not throw the rods in regular household trash. Check for recycling options in your area.
- Ensure that all materials are disposed of in a manner that does not pose a risk to the environment.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or product insert. It is important to have access to support for any safety inquiries.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and enjoyable experience with your FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .020" ULTRAMATCH ROD, 3PACK. Stay informed about product safety and report any unsafe products to the relevant authorities. Thank you for your attention to these safety guidelines.
