

# CAR-15 CAR AMBIDEXTROUS SLING ADAPTER - CAR AMBIDEXTROUS SLING ADAPTER

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Allows Rapid Switch From Right- To Left-Hand Carry

Steel, sling adapter replaces the standard issue, receiver plate to provide a rock solid attachment point for fast handling, tactical slings on CAR-15 rifles. Ambidextrous slots accept 1¼" wide webbing, rings accommodate carry straps with snap fasteners. Allows the sling to be switched from right or left side of receiver in seconds. Keeps sling tangle-free and provides the proper balance and stability for hands-free carry.

# CAR15 Ambidextrous Sling Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the CAR15 Ambidextrous Sling Adapter. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a sling adapter for CAR15 rifles.
- Always handle firearms and accessories with care and follow basic firearm safety rules.
- Inspect the sling adapter regularly for any signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the sling adapter only with compatible slings and attachments to prevent accidents.
- Ensure that the sling is securely attached to the adapter before use.
- Avoid using the sling adapter in environments where it may be subjected to extreme temperatures or harsh conditions.
- Do not modify or alter the sling adapter in any way, as this may compromise its safety and effectiveness.
- Be cautious when switching the sling from one side of the receiver to the other to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the CAR15 rifle is unloaded and pointed in a safe direction.
- Remove the standard issue receiver plate from the rifle.
- Align the CAR15 Ambidextrous Sling Adapter with the mounting holes on the receiver.
- Secure the adapter using the provided screws, ensuring a tight fit.
- Recheck that the adapter is firmly attached before proceeding.

### 2. Usage:

- Attach a compatible sling to the ambidextrous slots of the sling adapter.
- Adjust the sling length as necessary for comfort and proper firearm handling.
- To switch the sling from one side to the other, simply detach it and reattach it to the opposite slot on the adapter.
- Ensure the sling remains tanglefree during use to maintain balance and stability.

## Disposal Instructions

- Dispose of the CAR15 Ambidextrous Sling Adapter in accordance with local regulations.
- If the product is damaged beyond use, please recycle it responsibly.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any inquiries regarding the CAR15 Ambidextrous Sling Adapter, please refer to the manufacturer's contact details provided with the product packaging. Ensure you have the product details at hand when seeking assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the CAR15 Ambidextrous Sling Adapter!
