

HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT ALUMINUM RINGS 1" MEDIUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

Attributes

- Name: [TPS PRODUCTS HRT ALUMINUM RINGS 1" MEDIUM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100001476
- Mfr. No.: 40521
- Finish: Matte Blue
- Height: .985"
- Material: Aluminum
- Scope Tube Diameter: 1"
- Size: Medium
- Style: Tactical Rings
- Delivery weight: 0.136kg
- Shipping height: 58mm
- Shipping width: 61mm
- Shipping length: 94mm
- UPC: 071611405218

HRT Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. These aluminum rings are designed to provide secure mounting for your scope, ensuring optimal performance and safety during use. This guide provides important safety information, installation instructions, and disposal guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the scope rings with care to avoid injury.
- Ensure that the scope rings are compatible with your specific scope and firearm.
- Regularly inspect the scope rings for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on any recall notices or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the scope rings are properly secured to prevent the scope from moving or detaching during use.
- Do not exceed the recommended torque specifications when tightening the rings.
- Avoid using the scope rings in extreme environmental conditions that may compromise their integrity.
- Always align the reticle before tightening the cap to prevent misalignment.
- Use caution when adjusting the scope to avoid pinching or injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and screwdriver.
- Ensure your firearm is unloaded and in a safe condition before installation.

2. Installation:

- Place the scope in the rings and ensure it is centered.
- Align the reticle according to your preference.
- Tighten the left side of the cap first using the four screws.
- Once the left side is secure, proceed to tighten the right side without rotating the scope.
- Use the large clampnut to torque the rings to the Weaver-type or Picatinny base as specified.

3. Usage:

- Always check the tightness of the rings before each use.
- Monitor the scope's position during use, especially after heavy recoil.
- If any movement or looseness is detected, recheck and tighten the rings as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the HRT Picatinny/Weaver Scope Rings, please refer to the manufacturer's website or customer support channels for assistance.

Thank you for prioritizing safety and compliance while using the HRT Picatinny/Weaver Scope Rings. Your attention to these guidelines helps ensure a safe and enjoyable experience.
