

HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT ALUMINUM RINGS 30MM HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

Attributes

- Name: [TPS PRODUCTS HRT ALUMINUM RINGS 30MM HIGH](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100001481
- Mfr. No.: 40582

HRT Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. This guide provides important safety information and instructions for the proper use and installation of your scope rings. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the scope rings are compatible with your specific scope and firearm before installation.
- Inspect the scope rings for any signs of damage or wear before each use.
- Keep the product out of reach of children and unauthorized users.
- Do not exceed the manufacturer's recommended torque settings when installing the rings.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope rings.
- Use caution when handling tools during installation to avoid injury.
- Check that the scope is securely mounted and aligned before use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.
- If you experience any issues with the scope rings, discontinue use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your firearm is unloaded and in a safe position.

2. Installation Steps

- Position the scope rings on the Picatinny or Weaver base.
- Align the rings with the desired position for your scope.
- Use the fourscrew cap to secure the rings:
 - Tighten the left side of the cap first.
 - Then tighten the right side to avoid rotating the scope.
- Ensure the scope is level and properly aligned.

3. Final Checks

- After installation, doublecheck that all screws are tightened to the manufacturer's specifications.
- Test the setup by gently shaking the firearm to ensure the scope is secure.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- When disposing of the scope rings, follow your local waste management guidelines to ensure environmentally responsible disposal.

Contact Information for Further Support

For any questions or concerns regarding the HRT Picatinny/Weaver Scope Rings, please contact your local dealer or refer to the manufacturer's website for more information.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your HRT Picatinny/Weaver Scope Rings. Always prioritize safety and stay informed about best practices in firearm handling and maintenance. Thank you for your attention to these important guidelines.
