# Safety Instruction Guide for 1911 EXTREME DUTY FRONT SIGHTS

## Introduction

Thank you for choosing the 1911 EXTREME DUTY FRONT SIGHTS by NOVAK. This guide provides essential safety instructions and information to ensure the safe and effective use of your front sights. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the front sights are installed correctly and securely to prevent any accidents during usage.
- Always handle firearms in a safe and responsible manner, following all local laws and regulations.
- Keep the front sights and all firearm components away from children and unauthorized users.
- Regularly inspect your front sights for any signs of wear or damage. If any issues are detected, discontinue use immediately and seek assistance.
- Be aware of your surroundings when using firearms equipped with these sights to avoid accidents.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the front sights in any way. Such modifications may compromise safety and performance.
- Ensure that the firearm is unloaded before installing or adjusting the front sights to prevent accidental discharge.
- Use the sights only with compatible firearms (e.g., Colt 1911 and its clones, Kimber) as specified in the product description.
- If using the Tritium Dot feature, be aware that it may require special handling and maintenance. Follow all manufacturer guidelines for Tritium safety.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight using appropriate tools.
- Align the new Novak front sight in the factory dovetail.
- Secure the sight in place according to the manufacturer's specifications.
- Confirm that the sight is firmly attached and does not move.

### 2. Usage

- Familiarize yourself with the sighting system before using the firearm in a live setting.
- Always practice safe firearm handling techniques when aiming and firing.
- Regularly check the alignment and condition of the sights during use.

## Disposal Instructions

- Dispose of the front sights in accordance with local regulations regarding metal and electronic waste.
- If the Tritium Dot feature is no longer functional, consult local hazardous waste disposal guidelines for safe disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 EXTREME DUTY FRONT SIGHTS, please refer to the manufacturer's contact details provided with your purchase. Ensure that you have the product information ready for any support requests.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 EXTREME DUTY FRONT SIGHTS. Always prioritize safety and responsibility when handling firearms.
