

MONTANA X-TREME™ GUN GREASE - WESTERN POWDERS GUN GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Fast, Thorough Cleaning & Protection Of High-Performance Firearms

Specially formulated, load-bearing grease lubricates and waterproofs at extreme temperatures (-50°F to +600°F) to ensure smooth, reliable functioning of all moving gun parts. Reduces friction for clean, hammer/sear release, reliable slide operation, and more. Will not harden or migrate from hot surfaces.

MONTANA XTREME™ GUN GREASE SAFETY INSTRUCTION GUIDE

Introduction

Welcome to the safety instruction guide for MONTANA XTREME™ GUN GREASE by WESTERN POWDERS. This product is specially formulated to provide loadbearing lubrication and waterproofing for your firearm at extreme temperatures. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure safe use of MONTANA XTREME™ GUN GREASE by following these guidelines:
 - Always read the label and product information before use.
 - Keep out of reach of children and vulnerable individuals.
 - Use in a wellventilated area to avoid inhalation of fumes.
 - Store the product in a cool, dry place away from direct sunlight and heat sources.
 - Dispose of the product responsibly, following local regulations.

Specific Safety Precautions for Use

- When using MONTANA XTREME™ GUN GREASE, please observe the following precautions:
 - Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
 - Do not ingest the product. If ingested, seek medical advice immediately.
 - Use protective gloves when applying the grease to prevent skin irritation.
 - Ensure that the firearm is unloaded and pointed in a safe direction before applying the grease.
 - Do not apply the grease to hot surfaces or near open flames, as it may ignite.
 - Follow the manufacturer's recommendations for application to avoid overlubrication.

Instructions for Installation and Usage

- To use MONTANA XTREME™ GUN GREASE safely and effectively, follow these steps:
 1. **Preparation:**
 - Ensure the firearm is unloaded and in a safe condition.
 - Clean the surfaces where grease will be applied to remove dirt and old lubricant.
 2. **Application:**
 - Use the 10cc syringe provided to apply a small amount of grease to the moving parts of the firearm.
 - Focus on areas that experience friction, such as the hammer, sear, and slide.
 - Avoid excessive application; a thin layer is sufficient for optimal performance.
 3. **PostApplication:**
 - Allow the grease to settle and adhere to the surfaces.
 - Wipe off any excess grease to prevent buildup and ensure smooth operation.
 4. **Maintenance:**
 - Regularly check the lubrication of your firearm and reapply as necessary based on usage.

Disposal Instructions

- Proper disposal of MONTANA XTREME™ GUN GREASE is crucial to minimize environmental impact:
 - Follow local regulations for hazardous waste disposal.
 - Do not dispose of the product in regular household waste.
 - If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided on the product packaging or the manufacturer's website. It is important to have access to support for any safety concerns or questions you may have.

By following these safety instructions, you can ensure the safe and effective use of MONTANA XTREME™ GUN GREASE. Always prioritize safety and maintain your firearm properly for optimal performance.
