

1911 "GATOR-BACK" GRIPS - GOVERNMENT GRIPS, SLIM, BLAST BLACK CANVAS

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Comfortable, Non-Slip MICARTA~ Grips

Durable Micarta® panels provide a custom look to your 1911. Available in three Micarta® types: Canvas, thickest of the three with canvas threads in the milled finish for additional grip texture. All resist temperature changes and have length-wise ridges that resemble alligator back hide for a distinct look and a comfortable, non-slip grip. Models available for Government standard, slim.

Safety Instruction Guide for 1911 "GATORBACK" GRIPS

Introduction

Thank you for choosing the 1911 "GATORBACK" Grips. This guide provides essential safety instructions to ensure the safe use and maintenance of your grips. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Inspect the grips for any visible damage before use. Do not use if damaged.
- Keep grips out of reach of children and unauthorized users.
- Do not expose the grips to extreme temperatures or harsh chemicals, as this may affect their integrity.
- If you experience any issues or concerns regarding the grips, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before handling the grips to maintain optimal grip texture.
- Avoid using the firearm in wet or slippery conditions, as this may increase the risk of losing grip.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms equipped with these grips.
- If you have a medical condition that affects your grip strength or dexterity, consult with a professional before use.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips by unscrewing the grip screws with an appropriate tool.
- Align the new "GATORBACK" grips with the grip frame of the firearm.
- Secure the grips in place by tightening the grip screws evenly. Do not overtighten, as this may damage the grips or the firearm.
- Doublecheck that the grips are securely attached before handling the firearm.

2. Usage Instructions:

- Hold the firearm firmly using both hands, ensuring a proper grip on the "GATORBACK" grips.
- Practice safe firearm handling at all times, including keeping your finger off the trigger until ready to shoot.
- Regularly check the grips for wear and tear, and replace them if necessary.

Disposal Instructions

- Dispose of any damaged grips in accordance with local regulations regarding plastic and composite materials.
- Do not incinerate the grips, as this may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please reach out to the manufacturer or the designated EU contact point.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are our top priority. Enjoy your shooting experience with the 1911 "GATORBACK" Grips!
