Safety Instruction Guide for MINITUBE GAUGE REDUCERS 12.410 BORE

Introduction

Thank you for choosing the MINITUBE GAUGE REDUCERS. These precisionmachined aluminum sleeves allow you to convert your shotgun to a smaller gauge, enabling you to enjoy the benefits of reduced recoil and costeffective ammunition. This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the gauge reducers are compatible with your shotgun model.
- Do not use the gauge reducers with steel shot or slugs.
- Always use target loads in over and under, sidebyside, and singlebarrel shotguns.
- Keep the gauge reducers out of reach of children and vulnerable individuals.
- Regularly inspect the gauge reducers for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before installing or removing the gauge reducers.
- Always wear appropriate eye and ear protection when shooting.
- Use the gauge reducers only in 2¾" chambers and longer (2½" or longer in .410).
- Do not attempt to modify or alter the gauge reducers in any way.
- If you experience any malfunctions or issues while using the gauge reducers, stop using them immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is completely unloaded.
- Clean the chamber of the shotgun to remove any debris.
- Carefully insert the gauge reducer into the chamber until it is fully seated.
- Ensure the reducer is secure and does not move when the shotgun is handled.

2. Usage:

- Load the shotgun with appropriate target loads.
- Aim safely and ensure your shooting environment is clear of obstructions and bystanders.
- Fire the shotgun as you normally would, maintaining control and proper shooting posture.
- After use, unload the shotgun and remove the gauge reducer for storage.

Disposal Instructions

- Dispose of the gauge reducers in accordance with local regulations.
- Do not discard in regular household waste.
- If the gauge reducers are damaged or no longer usable, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MINITUBE GAUGE REDUCERS, please refer to the manufacturer's contact points or consult your local authorities for guidance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
