

M1 CARBINE M6-B FORWARD OPTIC MOUNT - ULTIMAK M6-B FORWARD OPTIC MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Rock-Solid, Cantilever Design Mounts Scopes & Other Sights To Your .30 Carbine

Get the full accuracy potential from your M1 Carbine by replacing its handguard with a reliable, CNC-machined mount for extended eye relief scopes, red dot, reflex, and laser sights, or tactical accessories. Full length, low profile rail uses 1913 Picatinny pattern; provides excellent stability and allows wide field of view for fast target acquisition. Dual, high-strength, steel clamps secure mount to barrel, forward of the gas block. No need to remove standard issue iron sights and will not interfere with case ejection. Synthetic and Israel Arms International stocks may require minor inletting in the forend to accommodate clamps. Will not fit Universal brand carbines.

M1 Carbine M6B Forward Optic Mount Safety Instruction Guide

Introduction

Thank you for choosing the M1 Carbine M6B Forward Optic Mount by ULTIMAK. This guide provides important safety instructions and guidelines to ensure safe and effective use of your optic mount. Please read this document carefully before installation or use.

General Safety Guidelines

- Always ensure that the M1 Carbine is unloaded before installing or adjusting the optic mount.
- Follow all local laws and regulations regarding firearms and accessories.
- Use the optic mount only with compatible M1 Carbine models. It is not compatible with Universal brand carbines.
- Inspect the optic mount and firearm for any damage or wear before each use.
- Keep the optic mount and the firearm out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe area when using the firearm equipped with the optic mount.

Specific Safety Precautions for Use

- Ensure that the clamps are securely fastened to the barrel before use to prevent any movement during operation.
- Regularly check the stability of the optic mount during use, especially after heavy use or transport.
- Avoid using the optic mount with accessories that exceed the weight limit specified by the manufacturer.
- Do not modify or alter the optic mount in any way, as this may compromise safety and performance.
- If you experience any malfunctions or irregularities while using the optic mount, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the M1 Carbine is unloaded and in a safe environment.
2. **Remove Handguard:** Carefully remove the existing handguard from the M1 Carbine.
3. **Position the Mount:** Align the ULTIMAK M6B Forward Optic Mount with the barrel, ensuring it is positioned forward of the gas block.
4. **Secure Clamps:** Use the included highstrength steel clamps to secure the mount to the barrel. Ensure that the clamps are tightened sufficiently to prevent movement.
5. **Check Alignment:** Verify that the mount is level and aligned properly with the firearm.
6. **Reinstall Iron Sights:** There is no need to remove standard issue iron sights; the mount will not interfere with case ejection.
7. **Final Inspection:** Doublecheck all connections and ensure the mount is secure before attaching any optics or accessories.

Usage Instructions

- After installation, you can attach your preferred optics, such as scopes, red dots, or laser sights, to the rail.
- Always ensure that optics are securely fastened and properly zeroed in before use.
- Familiarize yourself with the operation of the optic and the firearm before engaging in shooting activities.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the optic mount becomes damaged beyond repair, dispose of it in a manner that prevents accidental use.
- Do not dispose of the optic mount in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For safety inquiries, assistance, or to report unsafe products, please refer to the EU Safety Gate platform or contact your local authorities.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy using your M1 Carbine M6B Forward Optic Mount responsibly!
