

AR-15/M16 FRONT SLING ADAPTERS - MCTAR-07 STUD MOUNT ADAPTER

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Provides Strong, Reliable Sling Attachment

Two-piece clamp with single cross-bolt secures adapter to Picatinny/Weaver-style handguard rails so you have a front sling attachment point. MCTAR-06 has pivoting, 1 $\frac{1}{4}$ " wide swivel for direct sling attachment. Rubber coating on swivel prevents noisy, metal-to-metal contact. MCTAR-07 includes a fixed, dome-shaped stud that accepts your own, standard quick-detach swivel. MCTAR-08 includes a 1 $\frac{1}{4}$ " wide, 360° rotating, push-button swivel for rapid sling removal. MCTAR-08HD has heavy duty base and swivel that stands up to extreme tactical operations. 1 $\frac{1}{4}$ " wide, quick-detach swivel limits travel to prevent sling wrapping yet allows necessary movement.

Attributes

- Name: [MCTAR-07 STUD MOUNT ADAPTER](#)
- Manufacturer: [MIDWEST INDUSTRIES](#)
- Product no.: 100001923
- Mfr. No.: MCTAR-07

AR15/M16 Front Sling Adapters Safety Instruction Guide

Introduction

Thank you for choosing the AR15/M16 Front Sling Adapters. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always inspect the sling adapter for any signs of damage or wear before each use.
- Do not exceed the weight limit specified for the swivel attachments.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Weight Limit:** Ensure that the total weight of the equipment attached does not exceed the recommended limits.
- **Secure Installation:** Always ensure that the adapter is securely fastened to the handguard rails before use.
- **Avoid Overtightening:** Do not overtighten the clamp as this may damage the product or the handguard.
- **Check for Obstructions:** Before using the sling, check the surrounding area for any potential obstructions that may interfere with its operation.
- **Regular Maintenance:** Periodically check the swivel and stud for any signs of wear, rust, or damage, and replace if necessary.

Instructions for Installation and Usage

1. Installation:

- Locate the Picatinny/Weaverstyle handguard rails on your firearm.
- Position the twopiece clamp around the rail and ensure it is aligned correctly.
- Insert the crossbolt into the clamp and tighten it securely, ensuring that it does not move.
- If using MCTAR06, attach the swivel directly to the adapter.
- For MCTAR07, ensure the domeshaped stud is fitted correctly for your quickdetach swivel.
- For MCTAR08, attach the 360° rotating, pushbutton swivel securely.
- For MCTAR08HD, ensure the heavyduty base is properly installed.

2. Usage:

- Attach your sling to the swivel or stud as per your preference.
- Ensure that the sling is adjusted for comfort and ease of use.
- When detaching the sling, press the pushbutton (if applicable) to release it safely.
- Avoid twisting or wrapping the sling around any objects during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in regular household waste.

- Consider recycling where possible to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to your local distributor or the manufacturer's website for support resources. Always ensure that you are using the product in compliance with safety standards and guidelines.

By following these guidelines, you can ensure the safe and effective use of your AR15/M16 Front Sling Adapters. Thank you for your attention to safety and proper usage.
