

## 4.5 RANGER TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Connector Parts](#)

Ghost trigger connectors for Glock® pistols replace the original, factory trigger connectors to give you a lighter, smoother trigger pull in one easy to install part. Factory polished for the smoothest operation, all Ghost connectors come with a 100% lifetime satisfaction guarantee. Ghost's Ranger 4.5lbs connector brings you light, smooth trigger pulls in a drop-in design, which is also self-cleaning.

# **GHOST 4.5 RANGER TRIGGER Safety Instruction Guide**

## **Introduction**

Thank you for purchasing the GHOST 4.5 RANGER TRIGGER. This guide provides essential safety instructions and information to ensure the safe use and installation of your trigger connector. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the trigger connector is compatible with your Glock® model. The GHOST 4.5 RANGER TRIGGER is designed for Gen 14 models, excluding Glock models 42 and 43.
- Always handle firearms with care. Treat every firearm as if it is loaded.
- Store your firearm and trigger connector in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your trigger connector for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and safety.

## **Specific Safety Precautions for Use**

- Only use the GHOST 4.5 RANGER TRIGGER with Glock® pistols. Using it with other firearms may result in malfunction or injury.
- Ensure that your firearm is unloaded before installing or modifying the trigger connector.
- Do not attempt to modify the trigger connector beyond the manufacturer's specifications.
- Be aware that a lighter trigger pull can increase the risk of accidental discharge. Always practice safe handling and keep your finger off the trigger until ready to shoot.
- If you experience any malfunction or abnormal operation after installation, cease use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure that your Glock® pistol is unloaded.
- Gather necessary tools: a punch tool and a small hammer.

### **2. Installation Steps**

- Remove the slide from your Glock® pistol.
- Using the punch tool, carefully remove the original trigger connector from the trigger housing.
- Align the GHOST 4.5 RANGER TRIGGER with the trigger housing.
- Gently tap the connector into place using the hammer and punch tool.
- Reassemble your Glock® slide and ensure all parts are functioning correctly.

### **3. PostInstallation Check**

- After installation, perform a function check to ensure that the trigger operates smoothly.
- Test the trigger pull in a safe environment to familiarize yourself with the new feel.

## Disposal Instructions

- Dispose of any old or damaged trigger connectors in accordance with local regulations.
- Do not dispose of the trigger connector with regular household waste. Instead, consider contacting a local firearms dealer or recycling center that handles firearm parts.

## Contact Information for Further Support

For any inquiries regarding the GHOST 4.5 RANGER TRIGGER, please consult your retailer or visit the manufacturer's website for support resources.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your GHOST 4.5 RANGER TRIGGER. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
