

# 3-RAIL PICATINNY SHOTGUN MOUNT - 1" 3-RAIL SHOTGUN MOUNT

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## Mounts Easily Under Barrel; Accepts Picatinny Accessories

Rigid, aluminum, tri-rail mount lets you attach picatinny accessories such as lights, lasers, and other tactical equipment to your shotgun. Installs on the magazine tube without modifications to the gun, and will hold up to three attachments. Low mounting point keeps lights and lasers in proper alignment with the shot pattern and prevents interference with iron sights. Secures with two 8/32" clamping screws.

# 3RAIL PICATINNY SHOTGUN MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the 3Rail Picatinny Shotgun Mount. This product is designed to enhance your shotgun's functionality by allowing you to attach various accessories such as lights and lasers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the shotgun is unloaded before installing or handling the mount.
- Inspect the mount and shotgun for any signs of damage or wear before use.
- Keep the mount and accessories out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the mounting screws are securely tightened before using the shotgun.
- Do not exceed the recommended number of attachments (three) on the mount.
- Verify that lights and lasers are properly aligned to avoid interference with iron sights.
- Be cautious of the potential for accidental discharge when handling the shotgun.
- Use only compatible accessories designed for Picatinny rails to avoid damage.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the shotgun is unloaded.
- Clean the magazine tube area where the mount will be installed.
- Position the mount on the magazine tube.
- Align the mount so that it is level and in the desired position.
- Secure the mount using the two 8/32" clamping screws, ensuring they are tightened firmly.
- Check the alignment of the mount and make any necessary adjustments.

### 2. Usage Instructions:

- Attach Picatinny accessories such as lights and lasers to the mount.
- Ensure that all attachments are securely fastened before use.
- Conduct a function check of the shotgun to ensure proper operation with the mounted accessories.
- Always handle the shotgun with care, treating it as if it is loaded.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, recycle any metal components according to local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the relevant local authorities or the manufacturer. Ensure that you have the product details available for reference.

Thank you for your attention to these safety instructions. Enjoy the enhanced capabilities of your 3Rail Picatinny Shotgun Mount responsibly.
