

# M16/AR-15 TAKEDOWN TOOLS - SPORTING CONVERSIONS

## TAKEDOWN PIN TOOL, BLACK

[Gunsmith Tools](#) > [Rifle Tools](#) > [Magazine Tools](#)

### Convenient Tools Remove Takedown Pins & Mag Catch Quickly

High-impact plastic tools drive out the front and rear takedown pins or help get the magazine catch out from your M16/AR-15 without scratching or marring the metal. Pushtool for the takedown pins comes in two versions: a bench model or a handy key ring model. Magcatch tool compresses the spring to make removal of the magazine catch easier.

# M16/AR15 Takedown Tools Safety Instruction Guide

## Introduction

Thank you for choosing the M16/AR15 Takedown Tools by Sporting Conversions. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your takedown tools. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to assist in the removal of takedown pins and magazine catch for the M16/AR15.
- Always inspect the tools for any damage before use. Do not use if damaged.
- Keep the tools out of reach of children and vulnerable individuals to prevent accidents.
- Use the tools in a welllit area to ensure visibility and accuracy during use.
- Avoid using excessive force when operating the tools to prevent injury or damage to your firearm.
- Follow all local laws and regulations regarding firearm maintenance and modifications.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before using the takedown tools.
- When using the takedown pin tool, apply gentle pressure to avoid scratching or marring the metal surfaces.
- When using the magcatch tool, be cautious of the spring's tension to avoid sudden release or injury.
- Store the tools in a safe location when not in use to prevent accidental injury or misuse.
- If you experience any issues while using the tools, stop immediately and consult a professional.

## Instructions for Installation and Usage

### Takedown Pin Tool

1. **Preparation:** Ensure your M16/AR15 is unloaded and in a stable position.
2. **Front Takedown Pin:**
  - Insert the front takedown pin tool into the pin hole.
  - Gently push to drive out the front takedown pin.
3. **Rear Takedown Pin:**
  - Insert the rear takedown pin tool into the pin hole.
  - Gently push to drive out the rear takedown pin.
4. **Reinstallation:** To reinstall the pins, align them with their respective holes and gently press them back into place.

### Magazine Catch Tool

1. **Preparation:** Ensure your M16/AR15 is unloaded.
2. **Using the Magcatch Tool:**
  - Position the magcatch tool over the magazine catch.
  - Compress the spring gently to facilitate the removal of the magazine catch.
3. **Reinstallation:** Align the magazine catch with its housing and release the spring pressure to secure it in place.

## **Disposal Instructions**

- Dispose of the tools responsibly. If they are damaged or no longer needed, check local regulations for proper disposal methods.
- Do not throw the tools in regular household waste. Consider recycling if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safe use of the M16/AR15 Takedown Tools, please consult a professional or refer to local firearm safety organizations.

Thank you for prioritizing safety in your firearm maintenance. By following these guidelines, you can ensure a safe and effective experience with your M16/AR15 Takedown Tools.
