

# D-LEAD CLEANERS - ESCATECH, INC. D-WIPE TOWELS 40/CANISTER

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Chemical Handling](#)

## Remove Harmful Lead & Heavy Metals

Get rid of harmful lead, and other heavy metal residue on your skin during, and after, shooting and reloading. D-Lead removes lead and other heavy metals from your skin and other surfaces. D-Wipe Towels are convenient one-use wipes that are portable and can be used on the bench or at the range. D-Lead Dry or Wet Skin Cleaner cleans and conditions the skin with or without water.

# **DLEAD CLEANERS ESCATECH, INC. DWIPE TOWELS 40/CANISTER Safety Instructions**

## **Introduction**

Thank you for choosing DLead Cleaners, Escatech, Inc. DWipe Towels. These products are designed to help you safely remove harmful lead and other heavy metal residues from your skin during and after shooting and reloading activities. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always read the product labels and safety instructions before use.
- Keep out of reach of children and vulnerable individuals.
- Ensure proper ventilation when using the product.
- Do not use the product for purposes other than intended.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Avoid contact with eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical help immediately.
- Use only in wellventilated areas to minimize inhalation of any fumes.
- Wear gloves if you have sensitive skin or are prone to allergic reactions.
- Dispose of used towels properly to prevent environmental contamination.

## **Instructions for Installation and Usage**

### **DWipe Towels**

#### **1. Opening the Canister:**

- Remove the canister lid carefully to avoid spilling any contents.
- Ensure that the canister is on a stable surface.

#### **2. Using the Towels:**

- Pull out a single DWipe towel from the canister.
- Wipe the affected area of your skin thoroughly, ensuring complete coverage.
- Dispose of the used towel in a trash receptacle.

#### **3. After Use:**

- Reseal the canister lid tightly to keep the remaining towels moist.
- Wash your hands with soap and water after using the towels.

### **DLead Dry or Wet Skin Cleaner**

#### **1. Using the Cleaner:**

- Shake the bottle gently before use.

- Apply a small amount of the cleaner to your hands or the surface you wish to clean.
- Use a clean cloth or towel to wipe the area, or rinse with water if desired.

## **2. After Use:**

- Ensure that the cap is tightly closed to prevent leakage.
- Store in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of used DWipe Towels in accordance with local regulations for hazardous waste.
- Do not flush towels down the toilet.
- Empty DLead Dry or Wet Skin Cleaner bottles should be recycled or disposed of according to local waste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries or further information regarding the product, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using DLead Cleaners, Escatech, Inc. DWipe Towels. Thank you for your attention to safety!
