# DLEAD CLEANERS ESCATECH, INC. 8 OZ. DLEAD SKIN CLEANER W/ABRASIVE Safety Instruction Guide

## Introduction

Welcome to the safety instruction guide for the DLead Skin Cleaner by Escatech, Inc. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this document carefully before using the cleaner to protect yourself and others.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in cleaning lead and other heavy metal residues from the skin. Ensure you follow the instructions for safe handling and application.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please stay informed about any updates regarding this product.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if purchased in a physical store. Ensure the online platform complies with safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken when using this product around children or vulnerable individuals. Keep the product out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the manufacturer or retailer.
- **Rapid Alerts:** Stay updated on any safety alerts related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazards Identification:**

- Avoid contact with eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Ensure good ventilation when using the product to minimize inhalation of any fumes.
- Do not ingest the product. If swallowed, seek medical help immediately.

- **Avoiding Hazards:**

- Always use the product as directed on the label.
- Wear protective gloves if you have sensitive skin or are prone to allergic reactions.
- Do not use on broken or irritated skin.
- Store the product in a cool, dry place away from direct sunlight and heat sources.

## Instructions for Installation and Usage

- **Preparation:**

- Ensure your hands are free from any other contaminants before using the DLead Skin Cleaner.
- Open the DLead Skin Cleaner bottle carefully.

- **Application:**

- For skin cleaning, apply a small amount of the cleaner directly onto the skin affected by lead or

- heavy metal residues.
- Rub the cleaner gently over the skin until the residue is removed.
- For stubborn areas, repeat the application as necessary.
- Use DWipe Towels for convenient onetime use. Simply remove a towel from the canister and wipe the affected area thoroughly.

- **PostApplication:**

- Rinse your hands with water after using the product, if desired, to remove any remaining cleaner.
- Dispose of used DWipe Towels in accordance with local waste disposal regulations.

## Disposal Instructions

- **Disposal of Product:**

- Dispose of any unused or expired product in accordance with local regulations. Do not pour down the drain.

- **Disposal of Packaging:**

- Recycle the packaging where facilities exist. If recycling is not possible, dispose of the packaging in regular waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the DLead Skin Cleaner, please refer to the contact information provided by the retailer or manufacturer where you purchased the product. Ensure you have the product details available for quicker assistance.

Thank you for choosing DLead Cleaners by Escatech, Inc. Your safety is important to us, and we hope this guide helps you use our product effectively and safely.
