

MA ADJUSTABLE GAS SYSTEM - SCHUSTER M1A ADJUSTABLE GAS SYSTEM

[Home](#)

Saves Wear On Bolt Lugs & Softens Blow On Op Rod

Vented steel design changes cycle time by letting you adjust the gas volume in the cylinder. Quick adjustment of vent size with integral set-screw; eliminates changing screws for different vent sizes. Reduces battering on op rod, bolt lugs, receiver and trigger group. Available for M1 Garand and M1A.

MA Adjustable Gas System Safety Instructions

Introduction

Thank you for choosing the MA Adjustable Gas System by Schuster for your M1 Garand and M1A. This product is designed to enhance the performance of your rifle by allowing for adjustable gas volume, thereby improving cycling time and reducing wear on key components. Please read this safety instruction guide thoroughly to ensure safe and proper use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure the rifle is unloaded before installation or adjustment of the gas system.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the gas system for wear and damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Adjusting the gas system while the rifle is loaded can cause accidental discharge.
- Failure to follow instructions may result in damage to the rifle or injury to the user.

• Instructions to Avoid Hazards:

- Always ensure the rifle is in a safe condition before making adjustments.
- Use the provided adjustment tool only as directed.
- Do not attempt to modify the gas system beyond the manufacturer's specifications.
- If you experience any unusual behavior from the rifle, cease use immediately and consult a qualified gunsmith.

• AgeSpecific Warnings:

- This product is intended for use by adults only.
- Ensure that all users are knowledgeable about firearm safety and operation.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing gas nut from the rifle.
- Install the MA Adjustable Gas System in place of the original gas nut.
- Use the integral setscrew to secure the gas system in place.
- Make necessary adjustments to the vent size using the adjustment tool provided.

2. Usage:

- After installation, perform a function check to ensure the system operates correctly.
- Adjust the gas volume as needed for optimal performance based on ammunition type and conditions.

- Regularly monitor the gas system for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MA Adjustable Gas System, please refer to the manufacturer's website or customer service for assistance. Ensure you have your product information ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the performance of your rifle are our top priorities. Enjoy your shooting experience!
