

RIFLE CREEDMOOR SOULE LONG RANGE 4" - DAVIDE PEDERSOLI S.R.L RIFLE ADJUSTABLE TANG CREEDMOOR SOULE LONG RANGE 4" BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Named after the famous range on Long Island that hosted many long-range rifle competitions in the 1870s and '80s, the Creedmoor ladder-type sight is fully adjustable for windage and elevation and works equally well on cartridge rifles and muzzleloaders. Sight is precision machined from steel and attaches to tang with supplied setscrews and folds down when not in use. The Universal model is available in middle-range 2" and long-range 3" heights. The windage adjustment mechanism is on the eyepiece, allowing the eyepiece to be dropped close to the base for close-in shots. The Soule model provides maximum adjustability to fit any hunting or target shooting conditions. Elevation is adjustable in precise increments of 1 MOA, and one full turn of the windage knob moves the point of aim left or right by 2½ MOA in ½ minute increments. Large knurled knob at the sight base allows fast, accurate return to center or previous setting. Choice of Short, Middle, and Long Range models. The "Goodwin" style sight was a popular sight for long range shooters in the late 1800s. The "flag" position allows for a very wide windage adjustment range of 1.26". The elevation adjustment on the Goodwin has a range of 3.94". With the Goodwin's structure, the chamber can be easily accessed for cleaning or inspection. The Goodwin also has a "tilt" screw that allows the staff to be perfectly vertical at all elevations.

Attributes

- Name: [DAVIDE PEDERSOLI S.R.L RIFLE ADJUSTABLE TANG CREEDMOOR SOULE LONG RANGE 4" BLACK](#)
- Manufacturer: [DAVIDE PEDERSOLI S.R.L](#)
- Product no.: 100002380

Safety Instruction Guide for RIFLE CREEDMOOR SOULE LONG RANGE 4"

Introduction

Thank you for choosing the RIFLE CREEDMOOR SOULE LONG RANGE 4" by DAVIDE PEDERSOLI S.R.L. This product is designed for precision shooting and target practice. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you understand the operation of the rifle and its sights before use.
- Always treat the rifle as if it is loaded, even if you believe it is not.
- Store the rifle and accessories in a safe place, out of reach of children.
- Use the rifle only in designated shooting areas and in accordance with local laws and regulations.
- Wear appropriate eye and ear protection while shooting.
- Regularly inspect the rifle and sights for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the sight is properly installed and secured before attempting to use the rifle.
- Do not adjust the windage or elevation settings while aiming at a target.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- If the rifle misfires, follow proper procedures for handling misfires and wait at least 30 seconds before checking the chamber.
- Avoid using the rifle in adverse weather conditions that may affect visibility or safety.
- Only use ammunition that is compatible with your rifle.

Instructions for Installation and Usage

Installation

1. Ensure the rifle is unloaded and pointed in a safe direction.
2. Identify the tang area where the sight will be mounted.
3. Use the supplied mounting screws and installation instructions to securely attach the sight to the tang.
4. Ensure that the sight is properly aligned and tightened before use.
5. Check that the mounting holes are spaced between 2.20" and 2.29" (5.6 and 5.8 cm) for compatibility.

Usage

1. Adjust the elevation and windage settings using the large knurled knob at the sight base.
2. For closein shots, lower the eyepiece close to the base.
3. Make adjustments in precise increments of 1 MOA for elevation and 2½ MOA for windage.
4. Always return the sight to the center or previous setting after use.

Disposal Instructions

- Dispose of the sight and any related components in accordance with local regulations.
- Do not dispose of the sight with regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE CREEDMOOR SOULE LONG RANGE 4", please refer to the official contact points provided by the manufacturer.

By adhering to these safety instructions, you will ensure a safe and enjoyable shooting experience. Thank you for your attention to safety.
