Superb Long-Range Accuracy & The Right Period Syling

Rotating, detent-locking disc in the eyepiece lets you select one of eight aperture sizes to match your sight setting to current lighting conditions for optimum accuracy. Change settings with a flick of your thumb; no cumbersome disassembly or loosening and tightening of the eyepiece. Soft rubber ring minimizes pain from accidental contact with eyepiece on recoil. Fits both Universal and Soule-type Creedmoor sights.

Safety Instruction Guide for RIFLE ADJUSTABLE HADLEYSTYLE EYEPIECE

Introduction

Thank you for choosing the RIFLE ADJUSTABLE HADLEYSTYLE EYEPIECE by Davide Pedersoli S.R.L. This guide provides essential safety instructions to ensure the safe and effective use of your eyepiece. Please read this guide carefully before installation and use to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Ensure that the eyepiece is used only for its intended purpose.
- Always handle firearms and accessories with caution and in accordance with local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the eyepiece for any signs of damage or wear before use.
- If you notice any defects or malfunctions, do not use the eyepiece and contact a qualified professional.

Specific Safety Precautions for Use

- When adjusting the aperture size, ensure that your thumb is positioned safely to avoid pinching.
- Be cautious of the eyepiece during recoil; the soft rubber ring minimizes discomfort but does not eliminate the risk of accidental contact.
- Always wear appropriate eye protection when using firearms equipped with this eyepiece.
- Ensure that the eyepiece is securely attached to your sight before use to prevent detachment during shooting.
- Do not attempt to modify or disassemble the eyepiece; this could compromise safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe before installation.
- Locate the sight on your firearm where the eyepiece will be attached.
- Align the eyepiece with the sight and screw it in securely using the provided thread pitch (5mm x .5 Metric).
- Check that the eyepiece is firmly attached and does not move.

2. Usage:

- To adjust the aperture size, gently rotate the detentlocking disc in the eyepiece.
- Select one of the eight aperture sizes based on your current lighting conditions and sight settings.
- Make adjustments with a flick of your thumb for convenience.
- After adjustments, ensure that the eyepiece remains locked in place.

Disposal Instructions

- Dispose of the eyepiece in accordance with local regulations for electronic waste and nonbiodegradable materials.
- Do not dispose of the eyepiece in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.
