

M14/M1A TACTICAL SCOPE MOUNT - SADLAK INDUSTRIES

ALUMINUM M14/M1A TACTICAL MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Maximum Support, Superior Strength-To-Weight Ratio

Helps keep the weight down when adding heavy tactical optics to your M14/M1A. Three-point design clamps down solidly, without alteration, to the side receiver ring, charger guide dovetail and receiver mount lug. Precision-cut rail includes 5° angle milled on the underside for easy case ejection without hang-ups; accepts Picatinny and Weaver-style rings. Open sight channel gives unobstructed view of back-up iron sights. Standard model is available in three strength-to-weight combinations. Steel model is fully machined from stress-relieved 4142 chrome-moly steel barstock, hardened to Rc 28-32 for maximum strength. Aluminum model is machined from 7075 bar stock aluminum and hardcoat anodized matte black for durability. Airborne model features a lightweight skeletonized frame with seven, 3/8" diameter CNC machined lightening holes in the top of the rail for reduced weight without sacrificing strength. Machined from chrome-moly steel bar stock and heat-treated to Rc 50 for superior strength. Mil-Spec Parkerized finish resists abrasion and corrosion. Adopted by the 101st Airborne.

Attributes

- Name: [SADLAK INDUSTRIES ALUMINUM M14/M1A TACTICAL MOUNT](#)
- Manufacturer: [SADLAK INDUSTRIES](#)
- Product no.: 100002407

M14/M1A Tactical Scope Mount Safety Instructions

Introduction

Thank you for choosing the M14/M1A Tactical Scope Mount from Sadlak Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read all instructions carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of your M14/M1A rifle before using the tactical scope mount.
- Always handle firearms with care and follow basic firearm safety rules.
- Inspect the scope mount and all components for damage before installation.
- Use only compatible optics and accessories with the scope mount.
- Keep the scope mount and accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on any recalls or safety notices related to this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to scope misalignment or detachment.
- Excessive weight from incompatible optics may affect rifle handling.
- Failure to secure the mount properly may result in accidents.

- **Avoiding Hazards:**

- Follow the installation instructions carefully.
- Ensure all screws and mounts are tightened to the manufacturer's specifications.
- Do not exceed the recommended weight limit for optics.
- Regularly check the mount for wear, damage, or looseness.

- **Audience Specific Warnings:**

- This product is not intended for use by children. Always supervise young users when handling firearms.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools, including Allen wrenches and mounting hardware provided in the package.
- Ensure the rifle is unloaded and pointed in a safe direction.
- Align the scope mount with the side receiver ring, charger guide dovetail, and receiver mount lug.
- Secure the mount using the provided screws, ensuring they are tightened adequately without overtightening.
- Attach your preferred Picatinny or Weaverstyle rings to the rail, following the manufacturer's instructions for the optics.

2. Usage Instructions:

- Before using the rifle with the mounted scope, check for proper alignment and secure attachment.
- Practice safe shooting habits, including using the scope to acquire targets properly.
- Regularly maintain the scope mount and optics to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and aluminum waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the M14/M1A Tactical Scope Mount, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure you have your product information available for any inquiries.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and reliability of your M14/M1A Tactical Scope Mount.
