

# MONTANA SLING - SINCLAIR INTERNATIONAL MONTANA SLING, 1", BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Single Loop Design Never Over Tightens; Adjusts Instantly With Light Finger Pressure

Pack your hunting rifle in complete comfort all day long with this premium leather sling that adjusts from carry position to shoulder-ready in only seconds. Single loop design with an innovative sliding knot never over-tightens; can be adjusted instantly with a minimum of effort when your quarry is sighted. Makes the perfect choice as a comfortable, dependable carry sling or helps improve accuracy when used as a hasty sling. Made from thick, high quality, oil-tanned bridle leather. Available in brown or black, 1" or 1¼" width. Includes sling swivels.

# **Safety Instruction Guide for MONTANA SLING by SINCLAIR INTERNATIONAL**

## **Introduction**

Thank you for choosing the MONTANA SLING by SINCLAIR INTERNATIONAL. This premium leather sling is designed to provide comfort and reliability for your hunting rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## **General Safety Guidelines**

- Always inspect the sling before use to ensure it is in good condition and free from damage.
- Use the sling only for its intended purpose – carrying a hunting rifle.
- Keep the sling out of reach of children and vulnerable individuals to prevent accidents.
- Ensure that the sling is properly adjusted before use to avoid slippage or unintended release.
- Be aware of your surroundings when using the sling to avoid accidents or injuries.
- Report any unsafe conditions or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure the sling is securely attached to the rifle before carrying.
- Avoid overtightening the sling, as this may cause discomfort or restrict movement.
- Do not use the sling in wet conditions, as moisture can affect the quality of the leather.
- Regularly check the sling swivels for wear and tear; replace if necessary.
- Do not overload the sling with excessive weight, as it may lead to failure.
- If using the sling in a hasty manner, ensure that you have a clear line of sight and are aware of your target.

## **Instructions for Installation and Usage**

### **1. Installation of the Sling:**

- Locate the sling swivels on your hunting rifle.
- Attach one end of the sling to the front swivel and the other end to the rear swivel.
- Ensure that the attachment is secure and that the sling is not twisted.

### **2. Adjusting the Sling:**

- To adjust the sling, locate the sliding knot feature on the sling.
- Pull the knot to loosen or tighten the sling as needed for your carrying position.
- Make sure the sling is comfortably positioned on your shoulder.

### **3. Using the Sling:**

- When ready to use the rifle, ensure the sling is in the shoulder ready position.
- If using as a hasty sling, adjust the length to allow for quick aiming and stability.
- Maintain a firm grip on the rifle while using the sling to ensure control.

## **Disposal Instructions**

- Dispose of the sling responsibly. If it is damaged beyond repair, consider recycling the leather material where facilities are available.
- Do not dispose of the sling in regular household waste if it can be recycled or reused.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer or your retailer. Ensure that you have the product details available for reference.

Thank you for prioritizing safety while using the MONTANA SLING. Proper care and attention will enhance your experience and ensure safe usage.
