

# 1911 COMBAT CARRY ADJUSTABLE REAR SIGHTS - LPA CUT 1911 REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Rounded Blade Edges Won't Snag On Clothing Or Holsters

Enjoy the accuracy of a fully adjustable, competition-style rear sight in a package suitable for daily carry. Beveled edges on sight body and radiused corners on blade minimize chances of snagging on clothing or holster. Blade, sight body, and base are EDM-wire machined from high-grade, 4140 billet steel, then heat-treated to Rc 28-32 to retain the extra-tight tolerances. Front hinge pin is hardened to Rc 60 for reliable, long-lasting service without breakage. Fine serrations on the rear sight blade surface reduce light reflection to enhance sight pick up in all light conditions. Consistent, click adjustable detents for windage and elevation provide precise, repeatable settings.

## Attributes

- Name: [LPA CUT 1911 REAR SIGHT](#)
- Manufacturer: [KENSIGHT MFG](#)
- Product no.: 100002638
- Mfr. No.: 860-053

# Safety Instruction Guide for 1911 Combat Carry Adjustable Rear Sights

## Introduction

Thank you for choosing the 1911 Combat Carry Adjustable Rear Sights. This guide provides essential safety information to ensure the proper use, installation, and disposal of the product. Please read all instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rear sight for compatible 1911 pistols.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the sight for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the rear sight.
- Avoid using excessive force when adjusting the sight to prevent damage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Use eye protection when installing or making adjustments to the sight.
- Do not modify the sight or the firearm in any unauthorized manner.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Remove the existing rear sight if applicable.
- Align the LPA Cut 1911 rear sight with the dovetail on the pistol slide.
- Secure the sight in place with the appropriate tools, ensuring it is firmly attached.
- Check for proper alignment and adjust as necessary.

### 2. Usage

- Familiarize yourself with the sight adjustments for windage and elevation.
- Use the click adjustable detents to make precise adjustments according to your shooting preferences.
- Regularly check the tightness of the sight to ensure it remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support regarding the 1911 Combat Carry Adjustable Rear Sights, please refer to the

manufacturer's contact information provided with your product.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your enhanced shooting experience with the 1911 Combat Carry Adjustable Rear Sights.
