

# V-TAC PADDED SLINGS - VIKING TACTICS PADDED V-TAC SLING, BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

# VTAC Padded Slings Viking Tactics Padded Sling Safety Instruction Guide

## Introduction

Congratulations on your purchase of the VTAC Padded Sling, designed for enhanced comfort and functionality when carrying heavier firearms. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your sling.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose: carrying firearms.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Do not use the sling if it shows any signs of fraying, tearing, or malfunction.
- Keep the sling out of reach of children when not in use.
- Be aware of your surroundings and ensure that the firearm is secured at all times while using the sling.
- Follow all local laws and regulations regarding firearm transportation and usage.

## Specific Safety Precautions for Use

- When adjusting the sling, ensure that it is securely fastened to prevent accidental release.
- Always keep the firearm pointed in a safe direction when using the sling.
- Avoid using the sling in wet or slippery conditions to prevent loss of grip.
- Do not overload the sling beyond its intended weight capacity.
- If you experience discomfort while using the sling, discontinue use and adjust the fit or seek alternative carrying methods.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to the firearm using the provided nylon ends.
- Ensure that the attachment points are secure and that the sling is properly aligned.
- Adjust the length of the sling to fit your body comfortably.

### 2. Usage:

- Place the sling over your shoulder, ensuring that the padded section rests comfortably against your body.
- Adjust the forward portion of the sling for quick access and ease of movement.
- When not in use, the sling can be easily removed or adjusted for storage.

## Disposal Instructions

- Dispose of the sling responsibly. Do not dispose of it in regular household waste if it is damaged.
- Consider recycling the materials where possible, following local regulations for textile and plastic disposal.
- If the sling is no longer usable, please ensure it is discarded in a manner that prevents any potential harm to the environment.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the VTAC Padded Sling, please refer to the provided contact information from your retailer or manufacturer. It is essential to reach out to an EUbased contact for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your VTAC Padded Sling. Always prioritize safety and be aware of your surroundings while using this product. Thank you for choosing the VTAC Padded Sling for your firearm carrying needs.
