

GUN LUBE - SLIP 2000 GUN LUBE 4OZ

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Effective, High-Strength Cleaning & Protection For All Your Firearms

Gun Lube is truly an "ALL IN ONE" synthetic lubricant providing complete benefits of a Cleaner, Lubricant, and a Preservative and it is an excellent CLP. Formulated especially for use on automatic rapid-fire and repetitive shooting firearms black powder, shotguns, rifles and pistols. Slip 2000 Lubricant contains an exclusive metal treatment designed to control friction, which reduces heat, which eliminates excessive wear. It penetrates the micropores of the metal surfaces bonding itself to the metal allowing lubrication from within the metal itself. Will not attract dust, dirt or sand like petroleum products Will not harden or become tacky Will not dry out and leave unprotected metal behind Will reduce cleaning frequency No need for 5 or 6 other potential dangerous cleaners Contains No Petroleum distillates or other toxic ingredients

Safety Instruction Guide for GUN LUBE SLIP 2000 4OZ GUN LUBRICANT

Introduction

Thank you for choosing GUN LUBE SLIP 2000 4OZ GUN LUBRICANT. This product is designed to provide comprehensive lubrication, cleaning, and preservation for a variety of firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only for its intended purpose as described in the product text.
- Avoid contact with skin and eyes. In case of contact, wash thoroughly with soap and water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Ensure proper ventilation when using the product to avoid inhalation of vapors.
- Dispose of the product in accordance with local regulations.

Specific Safety Precautions for Use

- Before using, always check the firearm for any remaining ammunition and ensure it is unloaded.
- Apply the lubricant in a wellventilated area away from open flames or heat sources.
- Avoid prolonged skin contact. Use gloves if necessary.
- Do not mix with other cleaning or lubricating products unless specified by the manufacturer.
- If you experience any adverse reactions, discontinue use immediately and consult a healthcare professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition for cleaning.
- Shake the GUN LUBE SLIP 2000 bottle well before use.

2. Application:

- Open the flip top cap of the bottle.
- Apply a small amount of lubricant directly onto the metal surfaces of the firearm.
- Use a clean cloth or brush to spread the lubricant evenly over the surface.

3. PostApplication:

- Allow the lubricant to penetrate for a few minutes.
- Wipe off any excess lubricant with a clean cloth to prevent buildup.
- Store the firearm in a safe and secure location after lubrication.

Disposal Instructions

- Dispose of any unused product and its container in accordance with local hazardous waste disposal regulations.
- Do not pour the product down the drain or throw it in the regular trash.

Contact Information for Further Support

For any safety inquiries or additional information regarding GUN LUBE SLIP 2000, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with GUN LUBE SLIP 2000 4OZ GUN LUBRICANT. Always prioritize safety and consult the appropriate resources if you have any questions or concerns. Thank you for your attention to these guidelines.
