[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

## Added Padding Protects Rifle & Optics

A shell of abrasion- and mildew-resistant, 1000 denier, Nytaneon nylon surrounds 3/8" of padding on the top and bottom of the case for snug, no-slip protection of your rifle and its expensive optics. Padding on the bottom of the case covers the zipper tracks to protect your rifle from scratches. A double-stitched, nylon carry handle is attached to the case with multi-reinforced stitching; an adjustable, padded sling offers a tactical-carry option. All cases accept rifles with mounted optics and fully unzip to be used as a shooting mat. Standard Rifle case is available in 34", 37", and 41" lengths and features four high-capacity magazine pouches (five on 41" case) with positive-close hook-and-loop patch closures, plus zippered compartments in the front for additional storage.

# **TACTICAL RIFLE CASE BLACKHAWK 41" RIFLE CASE Safety Instruction Guide**

## **Introduction**

Thank you for choosing the TACTICAL RIFLE CASE BLACKHAWK 41" RIFLE CASE. This guide provides essential safety instructions to ensure the safe use and handling of your rifle case. Please read this document carefully before using the product to ensure a safe and enjoyable experience.

## **General Safety Guidelines**

- Ensure the rifle case is used solely for the purpose of carrying and protecting firearms and related equipment.
- Always store your rifle case in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the rifle case for any signs of wear and tear, including damage to the fabric, zippers, and stitching.
- Do not overload the case beyond its intended capacity, as this may compromise its structural integrity and safety.
- Be aware of the potential hazards associated with firearms and ensure that all safety protocols regarding firearms are followed.

## **Specific Safety Precautions for Use**

- When transporting your rifle, ensure that it is unloaded and secured within the case.
- Avoid exposing the rifle case to extreme temperatures or moisture, as this may affect the materials and protective features.
- Use the padded shoulder sling and carry handle properly to prevent strain or injury while carrying the case.
- Ensure that all zippers are fully closed before moving the case to prevent accidental openings.
- Keep the case away from sharp objects that may puncture or damage the exterior material.

## **Instructions for Installation and Usage**

### **1. Preparing the Case:**

- Open the case by unzipping all compartments.
- Ensure that the interior is clean and free of debris.

### **2. Placing Your Rifle:**

- Carefully place your unloaded rifle inside the case, ensuring that it is positioned snugly.
- If using optics, ensure they are protected by the padding and not in contact with the zipper tracks.

### **3. Securing the Rifle:**

- Close the zippers carefully, ensuring that there are no obstructions in the zipper tracks.
- Use the internal straps (if available) to secure the rifle in place.

### **4. Carrying the Case:**

- Use the padded shoulder sling for a tactical carry option or the doublestitched carry handle for hand carrying.
- Ensure the case is balanced while carrying to avoid strain.

## 5. Using as a Shooting Mat:

- Fully unzip the case and lay it flat on the ground to use as a shooting mat.
- Ensure the area is clear of obstacles and that you are in a safe shooting environment.

## Disposal Instructions

- Dispose of the rifle case responsibly at a local waste management facility.
- If the case is damaged beyond repair, consider recycling the materials if possible.
- Follow local regulations regarding the disposal of textile materials.

## Contact Information for Further Support

For any inquiries regarding safety or product concerns, please contact the manufacturer or your local distributor for assistance.

Thank you for following these safety instructions. Your safety and the safety of others is our top priority. Always handle firearms responsibly and in accordance with local laws and regulations.
