Safety Instruction Guide for the SERPA CQC Holster

Introduction

Thank you for choosing the Blackhawk SERPA CQC Concealment Holster for your Glock 17/22/31. This guide provides essential safety instructions to ensure the proper and safe use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure the firearm is unloaded before placing it in the holster.
- Do not use the holster if it is damaged or if any parts are missing.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for wear and tear.
- Ensure that the holster is compatible with your specific firearm model.
- Follow all local laws and regulations regarding firearm carry and storage.

Specific Safety Precautions for Use

- When drawing your firearm, maintain a firm grip and ensure your finger is off the trigger until you are ready to fire.
- Avoid placing the holster in areas where it could be accidentally activated or where it may cause injury.
- Be cautious of the holster's retention mechanism; ensure it is functioning correctly before use.
- Always use the holster in a manner consistent with its intended use.
- If you experience difficulty with the retention mechanism, cease use and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Choose whether to use the belt loop or paddle platform for installation.
- For belt loop installation:
 - Thread the belt through the loops on the holster.
 - Position the holster at your preferred carry location.
- For paddle platform installation:
 - Slide the paddle into your waistband.
 - Adjust the holster to your preferred position.

2. Usage:

- Ensure the firearm is unloaded before inserting it into the holster.
- Insert the firearm into the holster, ensuring it is fully seated.
- To draw the firearm:
 - Grip the firearm firmly.
 - Use your index finger to drag along the release mechanism while pulling the firearm upwards.
- To reholster, ensure the area is clear and carefully insert the firearm back into the holster.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- Do not incinerate the holster as it is made from injectionmolded polymer which can release harmful

substances when burned.

- If the holster is no longer usable, consider recycling it if facilities are available.
