

SERPA CQC HOLSTER - BLACKHAWK SERPA CQC HOLSTER GLOCK 20/21/37 RH BLACK

[Home](#)

The Blackhawk SERPA CQC Concealment Holster delivers unparalleled handgun security and a smooth draw in a compact, concealable package. The patented SERPA Auto-Lock offers Level 2 retention, and releases by simply dragging the index finger along the release in the draw cycle. The speed cut design promotes both a rapid draw and solid re-holster. A belt loop and paddle platform are included, and the SERPA CQC Concealment Holster also fits shoulder, S.T.R.I.K.E.®, Quick Disconnect and Tactical Holster Platforms, making it extremely versatile.

Safety Instruction Guide for the Blackhawk SERPA CQC Holster

Introduction

Thank you for choosing the Blackhawk SERPA CQC Concealment Holster for your Glock 20/21/37. This guide provides essential safety instructions and information to ensure the safe use of your holster. Please read and follow these guidelines carefully to maximize your safety and the performance of your holster.

General Safety Guidelines

- Ensure the holster is compatible with your handgun model (Glock 20, 21, or 37).
- Always treat your handgun as if it is loaded, even when it is not.
- Keep the holster and handgun out of reach of children and unauthorized users.
- Regularly inspect your holster for any signs of wear or damage.
- Follow all local laws and regulations regarding the carry and use of firearms.
- Use the holster only for its intended purpose; do not modify the holster in any way.

Specific Safety Precautions for Use

- Always ensure that the holster is securely attached to your belt or waistband before use.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Practice drawing from the holster in a safe environment to become familiar with the draw cycle.
- Do not attempt to draw your handgun while seated or in confined spaces where the holster may be obstructed.
- Be aware of your surroundings and ensure that your handgun is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation:

- Choose the preferred attachment method (belt loop or paddle platform).
- For belt loop installation, slide the loop onto your belt and ensure it is secure.
- For paddle installation, slide the paddle under your waistband and adjust for a comfortable fit.
- Ensure that the holster is positioned for a smooth draw, typically at the hip.

2. Usage:

- To draw your handgun, use your index finger to press the release mechanism while simultaneously pulling the handgun upward.
- Maintain a firm grip on the handgun during the draw to ensure control.
- After use, reholster the handgun by sliding it back into the holster until you hear a click, indicating it is securely locked in place.

Disposal Instructions

- When disposing of the holster, ensure that it is done in accordance with local regulations.
- If the holster is damaged or no longer usable, recycle the polymer material if possible.
- Do not dispose of the holster in a manner that could pose a risk to others.

Contact Information for Further Support

For any questions or concerns regarding the Blackhawk SERPA CQC Concealment Holster, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your Blackhawk SERPA CQC Holster. Always prioritize safety and responsible firearm handling.
