

# M14/M1A M8 FORWARD OPTIC MOUNT - ULTIMAK FORWARD OPTIC MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## No Machining Required; For Fast-Sighting Forward Optics

Lightweight, fully machined 1913 Picatinny-style rail accepts intermediate eye relief scopes, red dot, holographic, and reflex optics. Provides increased aiming speed with optics mounted in the forward position. Low profile allows co-witnessing of the factory sights with tube-bodied, red dot sights. Recoil lug, plus dual clamps attach quickly to standard weight, G.I. spec barrels without modifications; installs in place of the factory handguard. Fits M-14/M1A with original, standard weight barrel profile, original National Match standard profile and most Chinese M1A clones. Will Not fit Springfield Loaded Standard, Match, Tactical, or other medium or heavy profile barrels.

# M14/M1A M8 Forward Optic Mount Safety Instruction Guide

## Introduction

Thank you for choosing the ULTIMAK Forward Optic Mount for your M14/M1A rifle. This guide provides essential safety information and instructions for the proper use and installation of the optic mount. Please read this guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of this optic mount by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized recall notices. Please ensure that you keep your purchase information for reference.
- **Online Shopping:** If you purchased this product online, you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries or concerns regarding this product, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU Safety Gate platform for any alerts related to this product.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to optic misalignment or detachment during use.
- Use of the optic mount with incompatible barrel profiles may cause damage to the rifle or the mount.

### • Avoiding Hazards:

- Always ensure that the optic mount is securely attached before use.
- Do not use this mount with Springfield Loaded Standard, Match, Tactical, or other medium or heavy profile barrels.

- **Age Specific Warning:** This product should only be used by individuals who are trained in the handling and operation of firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the factory handguard from the M14/M1A rifle.
- Align the ULTIMAK Forward Optic Mount with the barrel and ensure the recoil lug is positioned correctly.
- Secure the mount using the dual clamps, tightening them until snug but avoiding overtightening, which may damage the mount or rifle.
- Confirm that the mount is stable and does not move when pulled or pushed.

## 2. **Usage:**

- Mount your preferred optics (scopes, red dot sights, etc.) onto the Picatinny-style rail.
- Ensure that optics are properly aligned and secured before use.
- Regularly check the mount and optics for signs of wear or looseness, especially after extended use.

## 3. **PostInstallation:**

- After installation, test the rifle in a safe environment to ensure proper alignment and function of the optic mount.
- If any issues arise, refer to the troubleshooting section of your optic's manual or consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For questions or concerns regarding the ULTIMAK Forward Optic Mount, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your purchase details ready for any inquiries.

Thank you for prioritizing safety and following these guidelines while using your ULTIMAK Forward Optic Mount. Enjoy your enhanced shooting experience!
