LOKDOWN™ Sling Swivels Safety Instruction Guide

Introduction

Thank you for choosing the LOKDOWN™ Sling Swivels by BLACKHAWK. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your sling swivels. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the product and its intended use before handling.
- Always inspect the sling swivels for any signs of wear or damage before each use.
- Store the sling swivels in a dry and secure location when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the sling swivels.
- Ensure that the locking collar is securely fastened before use to prevent accidental opening.
- Avoid using the product in extreme conditions that may cause damage to the swivels.
- Do not modify the sling swivels in any way, as this may compromise their safety and functionality.
- Always use the product in accordance with the manufacturer's guidelines.

Instructions for Installation and Usage

1. Installation:

- Identify the appropriate mounting location for the sling swivels on your firearm.
- Use the necessary tools to securely attach the swivels to the designated points.
- Make sure that the swivels are firmly installed and do not move or wobble.

2. Usage:

- Before using the sling swivels, ensure that the locking collar is properly engaged.
- When carrying your firearm, check regularly that the swivels remain secure.
- If you notice any unusual movement or sounds, stop using the product immediately and inspect it for damage.

Disposal Instructions

- Dispose of the sling swivels in accordance with local regulations regarding metal products.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in regular household waste if it can be recycled.
