

# AR-15 MIAD AA/AAA BATTERY GRIP CORE - MIAD/MOE AA/AAA BATTERY STORAGE CORE FOR AR-15 BLACK

[Home](#)

Further customize your MIAD grip to suit your specific needs with one of these interchangeable internal storage compartments. No tools or permanent alternations required. AA/AAA Battery Core provides waterproof, rattle-free storage of two AA batteries or, with the included internal spacer installed, two AAA batteries. Reversible rubber cap has "SPENT" stamped on one side, so you always know the status of the batteries in the compartment.

# Safety Instruction Guide for AR15 MIAD AA/AAA Battery Grip Core

## Introduction

Thank you for choosing the AR15 MIAD AA/AAA Battery Grip Core. This product is designed to enhance your MIAD grip while providing safe and effective storage for AA and AAA batteries. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidental ingestion of batteries.
- Regularly check the condition of the grip and storage compartments for any signs of wear or damage.
- Do not modify the product in any way that could compromise its safety features.
- In case of any malfunction or damage, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Battery Handling:**
  - Always handle batteries with care. Do not mix old and new batteries or different types of batteries.
  - Ensure that batteries are inserted correctly, matching the positive (+) and negative (-) terminals.
- **Water Resistance:**
  - The Battery Core provides waterproof storage; however, avoid prolonged exposure to water to maintain its integrity.
- **Cap Usage:**
  - The reversible rubber cap is marked "SPENT" on one side. Always check the cap to know the status of the batteries stored within.
- **Storage:**
  - Store batteries in a cool, dry place when not in use. Avoid extreme temperatures and humidity.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing grip from your AR15, following the manufacturer's instructions.
- Insert the MIAD AA/AAA Battery Grip Core into the grip cavity, ensuring it fits snugly.
- Reattach the grip to the AR15 securely.

### 2. Using the Battery Core:

- Open the storage compartment by removing the rubber cap.
- Insert up to two AA batteries or, with the internal spacer, two AAA batteries.
- Replace the rubber cap securely after inserting the batteries.
- Regularly check the battery status by inspecting the cap.

### 3. Maintenance:

- Clean the exterior of the grip with a damp cloth. Do not use harsh chemicals that may damage the polymer material.
- Inspect the rubber cap and storage compartment regularly for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of batteries in accordance with local regulations. Do not throw batteries in the regular trash.
- The product itself can be disposed of as plastic waste, following local recycling guidelines.
- Always check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please refer to the EUbased contact point provided by the manufacturer. You can also check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your AR15 MIAD AA/AAA Battery Grip Core responsibly!
