# Safety Instruction Guide for AR15 MIAD BOLT & FIRING PIN GRIP CORE

## Introduction

Thank you for choosing the AR15 MIAD BOLT & FIRING PIN GRIP CORE by MAGPUL. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this document carefully before using the product to understand its features and safety precautions.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the product is suitable for your specific firearm model.
- Follow all local laws and regulations regarding firearm use and accessories.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The Bolt & Firing Pin Core is designed to securely hold one standard AR15/M16 bolt and a spare firing pin.
- Ensure that the core is properly installed in the MIAD grip before use.
- Do not exceed the intended capacity of the storage compartment.
- Keep the product away from extreme temperatures and harsh chemicals that may degrade the polymer material.
- Be cautious of any sharp edges during installation and handling.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the MIAD grip from your AR15.
- Locate the internal storage compartment within the MIAD grip.
- Insert the Bolt & Firing Pin Core into the designated compartment, ensuring a snug fit.
- Confirm that the core is securely in place before reattaching the grip to the firearm.

### 2. Usage:

- Once installed, the core can hold one AR15/M16 bolt and one spare firing pin.
- Ensure that the items stored within the core are clean and free from debris.
- Regularly check the compartment to ensure that the contents are secure and undamaged.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not incinerate or expose the product to extreme heat as this may release harmful substances.
- If the product is damaged beyond use, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 MIAD BOLT & FIRING PIN GRIP CORE, please consult the manufacturer or your local firearms dealer for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the proper use and longevity of your AR15 MIAD BOLT & FIRING PIN GRIP CORE. Always prioritize safety and adhere to local laws when handling firearms and accessories. Thank you for your attention to these important safety measures.
