

REMINGTON 870 SHOTGUN MAGAZINE TUBE EXTENSION - VANG COMP SYSTEMS REMINGTON 870 MAGAZINE TUBE EXTENSION, 1 RD

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

Increased Round Capacity For Remington Shotguns

Short, screw-on magazine extensions add one or two additional rounds to tactical and sporting shotguns without increasing overall gun length. Replaces factory magazine cap with no permanent modifications. Machined from solid steel bar stock for a much stronger system to resist dents. Included sling loop can be installed for left- or right-handed shooters. Includes a smooth feeding stainless steel follower for enhanced reliability. Available for Remington 870/1100/11-87.

REMINGTON 870 Shotgun Magazine Tube Extension Safety Instructions

Introduction

Thank you for purchasing the REMINGTON 870 Shotgun Magazine Tube Extension by VANG COMP SYSTEMS. This product is designed to enhance the capacity of your shotgun while maintaining safety and performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and treat every gun as if it is loaded.
- Ensure that you are familiar with the operation of your shotgun and the extension before use.
- Keep the shotgun pointed in a safe direction at all times.
- Store the shotgun and its accessories in a secure location, away from unauthorized users, especially children.
- Regularly inspect your shotgun and the magazine extension for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the shotgun is unloaded before installing or removing the magazine extension.
- Do not exceed the recommended capacity of the magazine extension.
- Use only compatible ammunition that meets the specifications for your shotgun.
- Avoid using the shotgun in wet or damp conditions to prevent rust and corrosion.
- Be aware of your surroundings and ensure a clear line of fire when using the shotgun.
- Always wear appropriate eye and ear protection when shooting.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Magazine Extension:

- Ensure the shotgun is unloaded and the safety is engaged.
- Remove the factory magazine cap by unscrewing it.
- Place the magazine extension over the magazine tube and screw it on tightly.
- Ensure that the extension is securely fastened and does not wobble.
- Install the included stainless steel follower into the magazine tube.
- If desired, attach the included sling loop for left or righthanded use.

2. Usage:

- Load the shotgun according to the manufacturer's instructions, ensuring that the magazine extension is filled properly.
- Always check the magazine to confirm that it is loaded correctly before firing.
- Follow all safety protocols while handling and operating the shotgun.

3. PostUse Care:

- After use, clean the shotgun and magazine extension to prevent buildup of debris and residue.

- Store the shotgun in a secure location, ensuring that it is unloaded.

Disposal Instructions

- Dispose of the magazine extension and any associated materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated collection point for proper recycling or disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult the relevant authorities or your local retailer for assistance.
