

1911 CLASSIC TARGET ADJUSTABLE WHITE DOT REAR SIGHTS - BM-#1 WHITE DOT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Provides consistent accuracy through better production methods. Electro-discharge machined from 4140 steel, heat-treated to Rc 38-40, then vacuum tempered to help retain these tolerances for many years to come. One-piece blade is cut from solid steel barstock, so it won't fly apart when your shot matters most. Consistent, click-adjustable detents for windage and elevation give precise repeatability. All models except Accro feature a full-serrated, square corner blade for better target recognition and a rebated square notch for improved, "shadowless" front sight definition. BM #1 Deep Notch features a .020" deeper sight notch and finer surface serrations than standard model for easier front sight acquisition. LPA fits the LPA sight cut found on Springfield Armory, Para-Ordnance, Nowlin, High Standard, Olympic Arms, and Charles Daly 1911 Autos with factory-installed adjustable sights. White Dot models have rounded corners like the old Bo-Mar combat style adjustable sight, and features two, white, .070" (1.8mm) diameter dots, one on each side of rear notch.

Attributes

- Name: [BM-#1 WHITE DOT](#)
- Manufacturer: [KENSIGHT MFG](#)

Safety Instruction Guide for 1911 Classic Target Adjustable White Dot Rear Sights

Introduction

Thank you for choosing the 1911 Classic Target Adjustable White Dot Rear Sights. This product is designed to enhance your shooting accuracy while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure safe use of the 1911 Classic Target Adjustable White Dot Rear Sights, please adhere to the following guidelines:

- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the product is suitable for your specific firearm model.
- Regularly inspect the sights for any signs of wear or damage before use.
- Avoid using the product if it shows any signs of damage or malfunction.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the 1911 Classic Target Adjustable White Dot Rear Sights, please observe these specific safety precautions:

- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Use the sights only on compatible models: Government, Commander, and Officers.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or alter the sights.
- If you experience any difficulty with installation or usage, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

To ensure proper installation and usage of the 1911 Classic Target Adjustable White Dot Rear Sights, follow these instructions:

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing rear sight if applicable, following the manufacturer's guidelines.
- Align the new rear sight with the existing sight cut on your firearm.
- Secure the sight in place using the appropriate screws or mounting hardware.
- Tighten the screws to the manufacturer's specified torque settings, ensuring not to overtighten.

2. Adjustment:

- Use the clickadjustable detents for windage and elevation to achieve desired accuracy.
- Make adjustments in small increments and test your aim at a safe shooting range.
- Ensure that the adjustments are secure before firing.

3. Usage:

- Practice regularly to become familiar with the sight alignment and target acquisition.
- Always follow safe shooting practices and guidelines.

Disposal Instructions

When disposing of the 1911 Classic Target Adjustable White Dot Rear Sights, follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for firearms accessories.
- If the product is damaged or no longer usable, consider contacting a local recycling facility that handles metal products.

Contact Information for Further Support

For any inquiries or further assistance regarding the 1911 Classic Target Adjustable White Dot Rear Sights, please refer to the contact point provided by the manufacturer or your retailer. They will be able to assist you with safety inquiries and product support.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using your new sights responsibly.
