## Fast Field Adjustment

Fully adjustable stock for tactical rifles readily adapts length of pull and comb height with two click-detent adjustment wheels. Comb also allows a .65" range of eye relief adjustment for optical sights simply by loosening two Allen-head screws. Rubber recoil pad with solid, machined aluminum core seats securely onto your shoulder and won't slip during sustained shooting exercises. Removable, quick-detach front sling mount and rear 1½" sling loop easily install on either side of the stock for any shooting situation. Drop-in installation with included hardware and/or rifle's original factory hardware. FAL model fits metric FN-FAL rifles with fixed buttstock and standard buffer. Will not fit Paratrooper folding stock or Inch pattern rifles. Extended Buttpad available separately.

# FN FAL PRS Stock Collapsible Safety Instructions

## Introduction

Thank you for purchasing the FN FAL PRS Stock Collapsible by MAGPUL. This safety instruction guide is designed to help you use this product safely and effectively. Please read this guide carefully before using the stock to ensure proper installation and usage.

## General Safety Guidelines

- Ensure that the stock is compatible with your FN FAL rifle model before installation.
- Always handle firearms safely and responsibly, following local laws and regulations.
- Inspect the stock for any damage or defects before use. Do not use a damaged stock.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Use the stock only for its intended purpose. Misuse can lead to serious injury or death.
- In case of any malfunction or unusual performance, stop using the stock immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Adjustments:**
  - Always ensure that the stock is securely locked in place after making adjustments to the length of pull and comb height.
  - Avoid making adjustments while the firearm is loaded.
- **Recoil Pad:**
  - Ensure that the rubber recoil pad is properly seated against your shoulder to prevent slipping during use.
- **Sling Mounts:**
  - When using the removable sling mounts, ensure they are securely attached to prevent accidental detachment.
- **Eye Relief:**
  - Adjust the comb height to achieve the appropriate eye relief for your optical sights to ensure a clear line of sight.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including the included hardware and Allen wrenches.
- Remove the existing buttstock from the FN FAL rifle, if applicable.
- Align the FN FAL PRS Stock with the rifle's buffer tube and secure it using the provided hardware.
- Ensure all screws are tightened to the manufacturer's specifications.

### 2. Adjustments:

- To adjust the length of pull, locate the two clickdetent adjustment wheels on the stock. Turn the wheels to extend or retract the stock as desired.

- To adjust the comb height, loosen the two Allenhead screws located on the comb. Raise or lower the comb to the desired height, then retighten the screws securely.

### **3. Usage:**

- Always ensure the firearm is unloaded before handling or making adjustments to the stock.
- When preparing to shoot, ensure the stock is securely adjusted to your preference.
- Maintain a firm grip on the firearm while shooting to manage recoil effectively.

## **Disposal Instructions**

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it is damaged or defective.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**
