

MIL-COMM WEAPONS GREASE - MIL-COMM PRODUCTS COMPANY

TW25B WEAPONS GREASE 1/2 OZ. SYRINGE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Superior Cleaning & Lubrication For Extreme-Use Weapons

Proven performance in extreme temperatures and on a wide variety of weapon types has earned these PTFE-based synthetic lubricants the approval of the U.S. Military, defense contractors and foreign militaries. Specially formulated lubricants minimize the accumulation of sand, dust and powder fouling to keep your firearms in fire-ready condition. Provide superior corrosion protection for all firearm metals in all types of environments. TW25B Grease is available in a re-sealable syringe or squeeze tubes and is recommended for heavy wear parts, exposed areas, and for bore protection. MC25 Cleaner Degreaser is available in a pump spray bottle and breaks down gun lubricants and burnt-in powder residue on contact with a non-acidic, non-toxic, water-based formula.

Safety Instruction Guide for MILCOMM WEAPONS GREASE

Introduction

Thank you for choosing MILCOMM WEAPONS GREASE TW25B. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document thoroughly before use.

General Safety Guidelines

- Ensure safe use of the product according to the instructions provided.
- The product is intended for use with firearms and related equipment only.
- Keep out of reach of children and vulnerable individuals.
- Always store the product in a cool, dry place, away from direct sunlight and heat sources.
- Be aware of potential hazards associated with improper use, including skin irritation and flammability.

Specific Safety Precautions for Use

- Avoid contact with eyes. In case of contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical advice immediately.
- Use gloves when applying the grease to prevent skin irritation.
- Ensure adequate ventilation when using the product in enclosed spaces.
- Keep away from open flames and sources of ignition, as the product is flammable.
- Dispose of any used materials, such as rags or applicators, in accordance with local regulations to prevent fire hazards.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the area to be lubricated to remove any dirt or debris.

2. Application of TW25B Grease:

- Open the syringe or tube.
- Apply a small amount of grease to the desired parts of the firearm, focusing on heavy wear areas, exposed surfaces, and bore protection.
- Use a clean applicator or your finger (with gloves) to spread the grease evenly.

3. MC25 Cleaner Degreaser Usage:

- Shake the pump spray bottle well before use.
- Spray the cleaner directly onto the areas that require degreasing.
- Allow the cleaner to sit for a few moments to break down residues.
- Wipe off with a clean cloth.

4. PostApplication:

- Ensure all excess grease is wiped away to prevent attracting dust and debris.
- Store the product securely after use.

Disposal Instructions

- Dispose of the product and any contaminated materials in accordance with local regulations.
- Do not pour the product down drains or into watercourses.
- Check local hazardous waste disposal guidelines for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further information regarding the product, please refer to the contact details provided on the packaging or the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of MILCOMM WEAPONS GREASE TW25B. Thank you for your attention to safety.
