# MILCOMM WEAPONS OIL MC2500 Safety Instruction Guide

## Introduction

Thank you for choosing MILCOMM WEAPONS OIL MC2500. This product is designed to provide superior lubrication and protection for firearms and other mechanisms. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only for its intended purpose as specified in this guide.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Ensure adequate ventilation when using the product to avoid inhalation of vapors.
- Keep away from heat, sparks, and open flames. The product is flammable.
- Check for any signs of damage to the packaging before use. Do not use if damaged.

## Specific Safety Precautions for Use

- Use the needlenose syringe for precise application in hard-to-reach areas.
- Wear protective gloves when handling the product to prevent skin irritation.
- Avoid using the product in confined spaces without proper ventilation.
- Do not mix with other chemicals or substances unless specified by the manufacturer.
- Always follow the recommended temperature range: 85°F (67°C) to 450°F (232°C).

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be treated is clean and dry.
- Shake the syringe gently before use to ensure even distribution of the oil.

### 2. Application:

- For syringe use:
  - Remove the cap from the needlenose syringe.
  - Place the syringe tip at the desired application point.
  - Squeeze the syringe gently to apply the oil.
- For pump spray bottle use (if applicable):
  - Remove the cap from the spray nozzle.
  - Hold the bottle upright and press the nozzle to spray the oil onto the desired surface.

### 3. PostApplication:

- Wipe away any excess oil with a clean cloth.
- Replace the cap securely on the syringe or spray bottle after use.

## Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.

- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the MILCOMM WEAPONS OIL MC2500, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of MILCOMM WEAPONS OIL MC2500. Your safety is our priority, and we encourage you to report any unsafe products or incidents to the appropriate authorities. Thank you for your attention to these important guidelines.
