## Dependable & Nearly Indestructible; Store Fully Loaded Without Loss Of Reliability

Exceptionally rugged, combat- and competition-ready magazine functions flawlessly, even when left fully loaded for extended periods. Corrosion-proof, self-lubricating one-piece body of fiber-reinforced, molded polymer has no spot welds or joints to impair the follower, and the constant internal curve ensures smooth, unobstructed movement of the round stack. Anti-tilt follower stabilizes the stack to help prevent nose-diving and bolt-over-head failures. Heat-treated, stainless steel spring is stress-relieved for optimal performance. Withstands the heat from prolonged full-auto fire and is not harmed by most bore cleaners and solvents. Exterior ribbing provides added gripping surface; magazine catch notch, rather than a traditional hole, keeps dirt and debris out. Easy-to-grasp ledge on floorplate aids in extracting magazine from pouches; floorplate removes easily for cleaning. All models available in Black. DO NOT COME WITH DUST COVERS.

# **Safety Instruction Guide for AR15 30RD PMAG GEN M2 MOE MAGAZINE**

## **Introduction**

Thank you for choosing the AR15 30RD PMAG GEN M2 MOE MAGAZINE by MAGPUL. This guide provides essential safety information and usage instructions to ensure safe handling and operation of your magazine. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure the magazine is empty before handling or cleaning.
- Always store the magazine in a safe location, out of reach of children.
- Use the magazine only with compatible firearms as specified.
- Regularly inspect the magazine for damage or wear before use.
- Report any unsafe product conditions to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Do not exceed the magazine's capacity of 30 rounds.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Do not attempt to disassemble the magazine beyond the floorplate for cleaning.
- Ensure that the magazine is properly seated in the firearm before use.
- Never point the firearm at yourself or others when loading or unloading the magazine.

## **Instructions for Installation and Usage**

### **1. Loading the Magazine:**

- Ensure your firearm is pointed in a safe direction.
- Hold the magazine with the follower facing up.
- Insert rounds into the magazine, pressing down on the follower until the round is seated.
- Repeat until the magazine is fully loaded (30 rounds maximum).

### **2. Inserting the Magazine into the Firearm:**

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until you hear a click.

### **3. Removing the Magazine:**

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

### **4. Cleaning the Magazine:**

- Remove the floorplate by pressing down on the tab and sliding it off.
- Clean the interior with a soft cloth and mild soap if necessary.
- Reassemble the magazine by sliding the floorplate back into place.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not throw the magazine in regular household waste if it is damaged or unusable.
- Contact local waste management authorities for safe disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your AR15 30RD PMAG GEN M2 MOE MAGAZINE. Thank you for prioritizing safety.
