

# MAGAZINE EXTENSION SUPPORT CLAMP - NORDIC COMPONENTS

## MAGAZINE EXTENSION CLAMP W/TACTICAL RAIL

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Accessory Mounts](#)

### Provides Extra Support

Strong, lightweight aluminum clamp attaches securely to barrel to provide extra support for extended magazine tube. Eliminates unwanted vibration under recoil to ensure smooth, reliable feeding of rounds. Low-profile design, rounded edges, and flush-mounted hex-head machine screws prevent snags and damage to patrol car interiors; hardcoat anodized surface adds strength and exceptional resistance to surface abrasion. Available in Standard model and Tactical Rail configuration with Picatinny-type accessory rail that may be positioned on left or right side of clamp for mounting flashlights and other accessories. Also available for heavy barreled shotguns/Mossberg.

# Safety Instruction Guide for MAGAZINE EXTENSION SUPPORT CLAMP

## Introduction

Thank you for choosing the MAGAZINE EXTENSION SUPPORT CLAMP by NORDIC COMPONENTS. This product is designed to provide additional support for extended magazine tubes on shotguns. Please read this safety instruction guide carefully to ensure proper use and to maximize safety.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the clamp for any signs of wear, damage, or malfunction before use.
- If you notice any defects or issues, discontinue use immediately and consult a qualified professional.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the tactical rail.
- Ensure that the clamp is securely attached to the shotgun barrel before use.
- Avoid using the clamp in extreme weather conditions that could affect its performance.
- Be cautious of sharp edges during installation and handling.
- Always wear appropriate safety gear, including eye protection, when using firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Gather all necessary tools, including a flushmounted hexhead wrench.
- Ensure that your shotgun is unloaded and pointed in a safe direction.

#### 2. Attaching the Clamp:

- Position the clamp around the shotgun barrel, ensuring it aligns with the extension tube.
- Use the hexhead screws to secure the clamp tightly. Avoid overtightening to prevent damage to the barrel.

#### 3. Mounting Accessories:

- If using the Tactical Rail configuration, choose the desired side (left or right) for accessory mounting.
- Attach accessories such as flashlights securely to the rail, ensuring they do not interfere with the operation of the shotgun.

### Usage

- After installation, perform a function check to ensure the clamp is secure.
- Regularly check the tightness of the clamp and the condition of mounted accessories during use.
- Follow all safety protocols for firearm handling and operation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consult local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MAGAZINE EXTENSION SUPPORT CLAMP, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have the correct information for safety inquiries related to your product.

By following these guidelines, you can ensure safe and effective use of the MAGAZINE EXTENSION SUPPORT CLAMP. Thank you for prioritizing safety.
