## Aggressive Texture For Improved Pistol Control

Durable, tactical style grips provide improved pistol control during peak shooting action. Dimensionally stable, CNC machined, square bottom panels feature moderately coarse checkering and diagonal grooving for improved grip traction. Ball-cut grooves increase the available surface area to help you resist grip rotation during recoil. Hard G10 fiberglass composite is non-reflective and meets select military requirements. Not relieved for ambidextrous safety.

# Safety Instruction Guide for 1911 VZ Operator's Grip

## Introduction

Thank you for choosing the 1911 VZ Operator's Grip. This guide provides important safety information and instructions to ensure the safe use and maintenance of your grips. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the grips.
- Always handle your firearm safely and responsibly. Treat every firearm as if it is loaded.
- Keep your firearm and accessories out of reach of children and unauthorized users.
- Inspect the grips regularly for signs of wear or damage. Do not use if damaged.
- Always follow the manufacturer's instructions regarding the installation and use of the grips.
- Be aware of your surroundings when using your firearm to prevent accidents.

## Specific Safety Precautions for Use

- Only use the grips with compatible models: 1911 Government and Commander.
- Ensure that the grips are properly installed before using the firearm.
- Do not modify the grips or use them in a manner not intended by the manufacturer.
- Avoid using the firearm in wet or slippery conditions, as this may affect grip performance.
- Be cautious of the grip's surface texture; it is designed for traction but may cause abrasions if mishandled.
- If you experience any discomfort or difficulty in handling the firearm with the grips, discontinue use immediately.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** You will need the appropriate tools for removing and installing grips, typically a screwdriver.
2. **Remove Old Grips:** Carefully unscrew and remove the existing grips from your firearm.
3. **Align New Grips:** Position the 1911 VZ Operator's Grips onto the firearm, ensuring they fit securely against the frame.
4. **Secure Grips:** Use the screws provided to attach the new grips. Tighten them gently but firmly, ensuring they are not overtightened.
5. **Check Fit:** Ensure that the grips are securely attached and do not move. Test the grip by holding the firearm to ensure comfort and control.

### Usage

- Always ensure that your firearm is unloaded before handling or installing grips.
- Practice proper shooting techniques to maximize the benefits of the grip's design.
- Regularly check the grip's condition during cleaning and maintenance routines.
- Store your firearm safely when not in use, ensuring the grips are protected from damage.

## Disposal Instructions

- Dispose of any damaged grips in accordance with local regulations.

- Do not dispose of grips in regular household waste if they contain hazardous materials.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer's website or contact your local distributor. Always refer to the latest safety updates and guidelines provided by the manufacturer.

## **Conclusion**

The 1911 VZ Operator's Grip is designed to enhance your control and performance while shooting. By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience. Always prioritize safety and responsibility when handling firearms and accessories.
