

# AR-15/CAR-15 QUICK DETACH SWIVEL - MIDWEST INDUSTRIES STANDARD SWIVEL, EACH

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Provides Strong, Reliable Sling Attachment

Machined steel swivels with 1¼" loops feature a smooth-operating, centrally-located push-button and polished ball bearing surfaces for easy attachment on firearms equipped with quick-detach bases. Provides quiet, 360° rotation of the swivel to eliminate sling tangle and improve all day carry comfort. Standard model features a standard weight loop formed from 1/8" diameter round stock. Base is knurled for a positive grip, even when wearing heavy gloves. Available with polished blue finish. Heavy Duty swivel is constructed with an extra beefy base and push-button, plus a 3/16" diameter loop to handle maximum weight and abuse.

# Safety Instruction Guide for AR15/CAR15 Quick Detach Swivel

## Introduction

Thank you for choosing the AR15/CAR15 Quick Detach Swivel by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that the swivel is compatible with your firearm and its quickdetach base.
- Inspect the swivel before each use for any signs of wear or damage.
- Do not exceed the recommended weight limit for the swivel.
- Keep the swivel and all accessories out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the swivel is securely attached before using the firearm.
- Use only slings that are compatible with the swivel and do not exceed 1¼ inches in width.
- Avoid using the swivel in extreme conditions that may compromise its integrity (e.g., high temperatures, excessive moisture).
- Do not modify the swivel in any way, as this may affect its performance and safety.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the swivel.

## Instructions for Installation and Usage

### Installation

1. **Select a Compatible QuickDetach Base:** Ensure that your firearm is equipped with a compatible quickdetach base.
2. **Attach the Swivel:**
  - Align the swivel's loop with the quickdetach base.
  - Push the button to engage the swivel into the base until you hear a click.
  - Ensure that the swivel is securely locked in place.

### Usage

1. **Attaching a Sling:**
  - Insert the sling through the swivel's loop.
  - Adjust the sling to your preferred length and secure it.
2. **Adjusting the Swivel:**
  - The swivel allows for 360° rotation. Ensure that it rotates smoothly without obstruction.
3. **Detaching the Swivel:**
  - To detach, press the centrally located pushbutton and pull the swivel away from the base.

## Disposal Instructions

- Dispose of the swivel in accordance with local regulations.
- Do not dispose of the swivel in regular household waste.
- Consider recycling the product if possible, as it is made of steel.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15/CAR15 Quick Detach Swivel, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your AR15/CAR15 Quick Detach Swivel. Always prioritize safety and stay informed about any product recalls or safety notices. Thank you for your attention to these important guidelines.
