

1911 EXTENDED EJECTOR - NIGHTHAWK CUSTOM .45 ACP EXTENDED EJECTOR

[Handgun Parts](#) > [Action Parts](#) > [Ejector Parts](#) > [Ejectors](#)

Extra Length For Reliable Ejection; Tough, Hardened Steel Construction

Heavy-duty ejector has an extended nose to ensure solid contact that consistently boots the spent case clear of the ejection port. Helps prevent jamming, smokestacking, and other ejection-related problems that compromise reliability. Machined from solid bar stock then hardened before bluing, so it'll stand up to a pounding. Part may need minor fitting; does not require modifications to frame.

Attributes

- Name: [NIGHTHAWK CUSTOM .45 ACP EXTENDED EJECTOR](#)
- Manufacturer: [NIGHTHAWK CUSTOM](#)
- Product no.: 100003245

Safety Instruction Guide for 1911 Extended Ejector Nighthawk Custom .45 ACP Extended Ejector

Introduction

Thank you for choosing the 1911 Extended Ejector Nighthawk Custom .45 ACP Extended Ejector. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the ejector.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to avoid any potential hazards.
- Always handle firearms and related components with care and ensure they are stored safely and securely.
- Regularly inspect the ejector for any signs of wear or damage before use. Do not use if damaged.
- Keep the ejector and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunctions, including jamming or misfires.
 - Using a damaged ejector can compromise safety and reliability.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before installing or inspecting the ejector.
 - Do not attempt to modify the ejector or the firearm without proper knowledge and tools.
 - Wear appropriate safety gear, such as safety glasses, when handling firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is completely unloaded and pointed in a safe direction.
 2. Remove the old ejector from the firearm if applicable.
 3. Align the new ejector with the mounting points on the frame.
 4. Secure the ejector in place according to the manufacturer's specifications. Minor fitting may be necessary.
 5. Check that the ejector is firmly in place and does not interfere with the operation of the firearm.
- **Usage:**
 - After installation, conduct a function check to ensure the ejector operates correctly.
 - Use the firearm in accordance with all safety guidelines and local laws.
 - Regularly clean and maintain the ejector as part of your firearm maintenance routine.

Disposal Instructions

- Dispose of the ejector in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the ejector in regular household waste. Instead, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety and responsible usage. Enjoy your product!
